

2024 Palisade Sunday Farmers Market Rules & Regulations

Overview

The Palisade Sunday Farmers Market (PSFM) mission is to support and promote Palisade and Western Slope farmers and direct marketing of Colorado agricultural products.

The vision of the PSFM is to partner with local producers to provide a platform for the purpose of supporting agriculture in the Western Slope of Colorado and Palisade by providing a visible, accessible, and inexpensive venue for retail sales of Colorado-produced agricultural products in downtown Palisade.

These rules and regulations may be revised or amended by the Town of Palisade at any time with or without notice to vendors.

In addition to the following rules and regulations, all vendors agree to abide by all city, county, state, and federal laws, and regulations.

The Palisade Sunday Farmers Market reserves the right to deny or accept any application or vendor wishing to participate in the market. The market reserves the right to prohibit anyone from selling at the market and to cancel the privilege of any vendor who, in the opinion of the Market Manager or the Town of Palisade, has violated the rules governing the market. Operations

The PSFM's was established in 2006 and is located in downtown Palisade: Main Street between Second Street and West Fourth Street, and Third Street between Kluge Avenue and the alleyway at The Craig Gallery.

The PSFM opens each season on the first Sunday in June (June 2, 2024) and runs every Sunday through the first Sunday in October (October 6, 2024). The hours of operation are from 9:00 a.m. to 1:00 p.m.

The PSFM is a rain or shine market; however, certain weather conditions (high winds, severe thunderstorms, lightning, etc.) may necessitate the official closure of the market (with or without prior notice) if it is determined that severe weather conditions could compromise the safety of vendors and shoppers. This closure will be at the PSFM Coordinator's discretion. If the market is canceled due to severe weather, the PSFM Coordinator will make every attempt to notify vendors in a timely manner.

Authorized vendors may begin setup at 7:30 a.m. each Sunday. Vehicles must be unloaded and off the streets by 8:00 a.m. No vehicles will be allowed in the market area between 8:00 a.m. and 1:15 p.m. All vendors must be set up and ready for business by 8:15 a.m. If a vendor has not checked in by 8:00 a.m., the Town of Palisade reserves the right to put another vendor in the space for the day, with the purpose of enhancing the flow and appearance of the market.

Vendors may begin clean-up at 12:45 p.m. If a vendor sells out of their products, they may place a “sold out” sign, and must leave their booth up until the close of the market. Barricades will be removed by 2:30 p.m., and all roads will open to traffic. All vendors shall have their booth completely torn down by this time.

During set-up and clean-up, vendors are permitted to park their vehicles near their assigned space while loading and unloading only. All set-up and clean-up shall be done while vehicle is parked off the premises.

Logistics

A Certificate of Registration identifying the organization as non-profit must be submitted with the application. Booth assignments and vendor locations are at the discretion of the PSFM Coordinator and shall be made with the overall experience of the PSFM in mind.
