TOWN OF PALISADE

ANNUAL BUDGET

FISCAL YEAR 2025

Town of Palisade
 175 E 3rd Street
 PO Box 128
 Palisade, CO 81526
<https://palisade.colorado.gov>

**TOWN OF PALISADE, COLORADO
RESOLUTION 2024-28**

A RESOLUTION OF THE BOARD OF TRUSTEES FOR THE TOWN OF PALISADE, COLORADO, SUMMARIZING EXPENDITURES AND REVENUES FOR EACH FUND AND ADOPTING A BUDGET FOR THE ENTIRE TOWN OF PALISADE, COLORADO, FOR THE CALENDAR YEAR BEGINNING ON THE FIRST DAY OF JANUARY 2025 AND ENDING FOR THE CALENDAR YEAR ON THE LAST DAY OF DECEMBER 2025.

WHEREAS, the Board of Trustees of the Town of Palisade has received a proposed budget in accordance with the Local Government Budget Law; and

WHEREAS, upon due and proper notice, published in accordance with C.R.S. 29-1-106, said proposed budget was open for inspection by the public at the Town Hall as a designated location, a public hearing was held on November 12, 2024, and interested electors were given the opportunity to file and/or register any objections to said proposed budget, and,

WHEREAS, whatever increases and/or decreases may have been made in the expenditures, like increases/decreases were respectively made to the revenues so that the budget remains in balance, as required by C.R.S. 29-1-103;

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF PALISADE, COLORADO AS FOLLOWS:

SECTION 1. The estimated expenditures for each fund are as follows:

General Fund	6,829,386
Utilities Fund	666,782
Tourism Fund	90,000
Water Fund	1,616,001
Conservation Trust Fund	0
Solid Waste Fund	299,529
Capital Projects Fund	3,605,000
Total Expenditures	\$13,106,698

SECTION 2. The estimated revenues for each fund are as follows:

<u>General Fund</u>	
Taxes	\$5,450,000
Other Sources	1,822,450
Fund Balance	(443,064)
Total Revenues	\$6,829,386

<u>Utilities Fund</u>	
Fees	\$1,300,000
Fund Balance	<u>(633,218)</u>
Total Revenues	\$666,782

<u>Tourism Fund</u>	
Lodging Fees	\$100,000
Fund Balance	<u>(10,000)</u>
Total Revenues	\$90,000

<u>Water Fund</u>	
Fees	\$1,176,000
Fund Balance	<u>482,001</u>
Total Revenues	\$1,616,001

<u>Conservation Trust Fund</u>	
Lottery Funds	\$26,000
Fund Balance	<u>(26,000)</u>
Total Revenues	\$0

<u>Solid Waste Fund</u>	
Fees	\$284,800
Fund Balance	<u>14,729</u>
Total Revenues	\$299,529

<u>Capital Projects Fund</u>	
General Fund Transfer	\$1,426,000
Water Fund Transfer	359,000
Grant Revenue	<u>1,820,000</u>
Total Revenues	3,605,000

SECTION 3. The budget as submitted, amended, and herein above summarized by fund, a true copy of which is attached and incorporated herein by reference, hereby is approved, and adopted as the budget of the Town of Palisade for the year stated above.

SECTION 4. The budget hereby approved and adopted shall be signed by the Mayor and made a part of the public records of the Town.

SECTION 5. Town Finance Director, Gregg Mueller, is hereby directed forthwith to certify said budget to the Department of Local Affairs of the State of Colorado in accordance with the Laws of said State.

ADOPTED AND APPROVED this 12th Day of November 2024

By the Town of Palisade, Mesa County, State of Colorado

Greg Mikolai, Mayor

Attest:

Keli Frasier, CMC
Town Clerk

**TOWN OF PALISADE, COLORADO
RESOLUTION 2024-29**

A RESOLUTION OF THE BOARD OF TRUSTEES FOR THE TOWN OF PALISADE, COLORADO, APPROPRIATING SUMS OF MONEY TO THE VARIOUS FUNDS IN THE AMOUNTS OF AND FOR THE PURPOSE SET FORTH BELOW, FOR THE TOWN OF PALISADE, COLORADO, FOR THE 2025 BUDGET.

WHEREAS, the Board of Trustees has adopted the annual budget in accordance with the Local Government Budget Law on November 12, 2024 and

WHEREAS, the Board of Trustees has made provisions therein for revenues, including beginning fund balances, in the amount equal to or greater than the total proposed expenditures as set forth in the budget; and,

WHEREAS, it is not only required by law, but also necessary to appropriate the revenues provided in the budget to and for the purpose described below so as not to impair the operations of the Town of Palisade

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF PALISADE, COLORADO AS FOLLOWS:

SECTION 1. That the following sums are hereby appropriated from the revenues and other available money of each fund, for the purposes stated:

General Fund	
Expenditures	<u>\$6,829,386</u>
Total General Fund	\$6,829,386
Utilities Fund	
Expenditures	<u>\$666,782</u>
Total Utility Fund	\$666,782
Tourism Fund	
Expenditures	\$90,000
Total Tourism Fund	\$90,000
Water Fund	
Expenditures	<u>\$1,616,001</u>
Total Water Fund	\$1,616,001
Conservation Trust Fund	
Expenditures	\$0
Total Conservation Trust	\$0
Solid Waste Fund	
Expenditures	<u>\$299,529</u>
Total Solid Waste Fund	\$299,529

Capital Projects Fund	
Expenditures	<u>\$3,605,000</u>
Total Capital Projects	
Fund	\$3,605,000

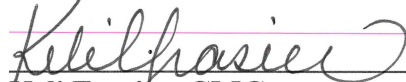

ADOPTED and APPROVED this 12th day of November, 2024.

By the Town of Palisade, Mesa County, State of Colorado

**TOWN OF PALISADE, COLORADO
RESOLUTION NO 2024-30**

**A RESOLUTION OF THE BOARD OF TRUSTEES FOR THE TOWN OF
PALISADE, COLORADO, LEVYING GENERAL PROPERTY TAXES FOR THE
YEAR 2024 TO HELP DEFRAY THE COSTS OF GOVERNMENT FOR THE
TOWN OF PALISADE, COLORADO, FOR THE 2025 BUDGET YEAR.**

WHEREAS, the Board of Trustees has adopted the annual budget in accordance with the Local Government Budget Law on November 12, 2024; and

WHEREAS, the amount of money necessary to balance the budget for general operating expenses and capital outlay is \$695,574; and

WHEREAS, the 2024 valuation for assessment for the Town of Palisade as certified by the County Assessor is \$39,747,090.

**BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF
PALISADE, COLORADO AS FOLLOWS:**

SECTION 1. The Town of Palisade's gross mill levy is **17.5** mills.

SECTION 2. For the purpose of meeting all general operating expenses and capital outlay of the Town of Palisade during 2025 budget year, there is hereby levied a mill levy of **17.5** mills upon each dollar of the total valuation for assessment of all taxable property within the Town for the year 2024.

SECTION 3. Town Finance Director, Gregg Mueller, is hereby authorized and directed to immediately certify to the County Commissioners of Mesa County, Colorado, the mill levies for the Town of Palisade as herein above determined and set.

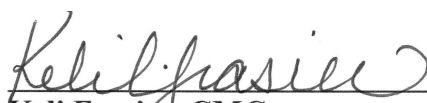

ADOPTED AND APPROVED THIS 12th DAY OF NOVEMBER, 2024.

Palisade, Colorado, is a statutory town that has a total area of 1.1 square miles and sits at the foot of the Grand Mesa and Mount Garfield in Mesa County. The Town was incorporated on April 4, 1904, and is home to 2,565 people as well as thriving agriculture, viticulture, and tourism industries.

The Town is governed by seven elected officials, including the Town's Mayor and six Trustees. All of the officials are elected on staggered four-year terms. The Board of Trustees serves as the voice of the citizens in the Town's government, and they direct the strategy and priorities for the Town Manager.

The chief administrator of the Town is the Town Manager. This position serves as the chief budget officer and chief executive for the Town. All operations are overseen and coordinated by the Town Manager using the teamwork and expertise of department directors.

The Town operates many services for its citizens, including:

- Potable Water Distribution
- Sewage Collection and Treatment
- Parks Maintenance
- Police Services
- Fire/Emergency Medical Services
- Streets Maintenance
- Bike Paths, Sidewalks, Multi-Use Trails
- Events Coordination
- Cemetery Services
- Planning and Community Development Services
- Municipal Court
- Tourism Marketing
- Refuse Collection
- General Administrative Services

One of the purposes of this budget is to provide the public and the Board of Trustees a detailed financial plan for 2024 and demonstrate how the Town government will continue to use the resources in our custody in a responsible and thoughtful manner to improve the quality of life for the residents and visitors of our wonderful Town. This also serves as the detailed authorization that the Board provides to the administration of the Town to continue to operate.

ORGANIZATIONAL CHART

Please note: This document is meant to be read in its entirety, and no section of this budget can describe the proposed operations completely. Any attempt to understand the budget by examining one section will be misleading and not provide the reader with the necessary context.

The Town uses fund accounting as the basis of its accounting system in accordance with governmental accounting standards. A fund is a complete set of balancing accounts and is used to measure and track specific activities throughout the government. One can think of a fund as the books for a single business, and that business will have a distinct balance sheet, income statement, and statement of cash flows. Each fund will have these elements. The reason we use funds rather than putting all operations under one set of accounts is to increase the visibility as to how we are using resources. By explicitly listing functions in the budget and in the financial statements, users of the financial statements can gain a greater understanding of the operations of the Town, and such an understanding may be lost if all the operations were combined.

This budget starts by looking at the government as if it were combined. This is the view of the government with the least precision, but it is valuable to orient the reader to the general levels of revenue and expenditure we expect for 2025. This section is called the Government-Wide Summary.

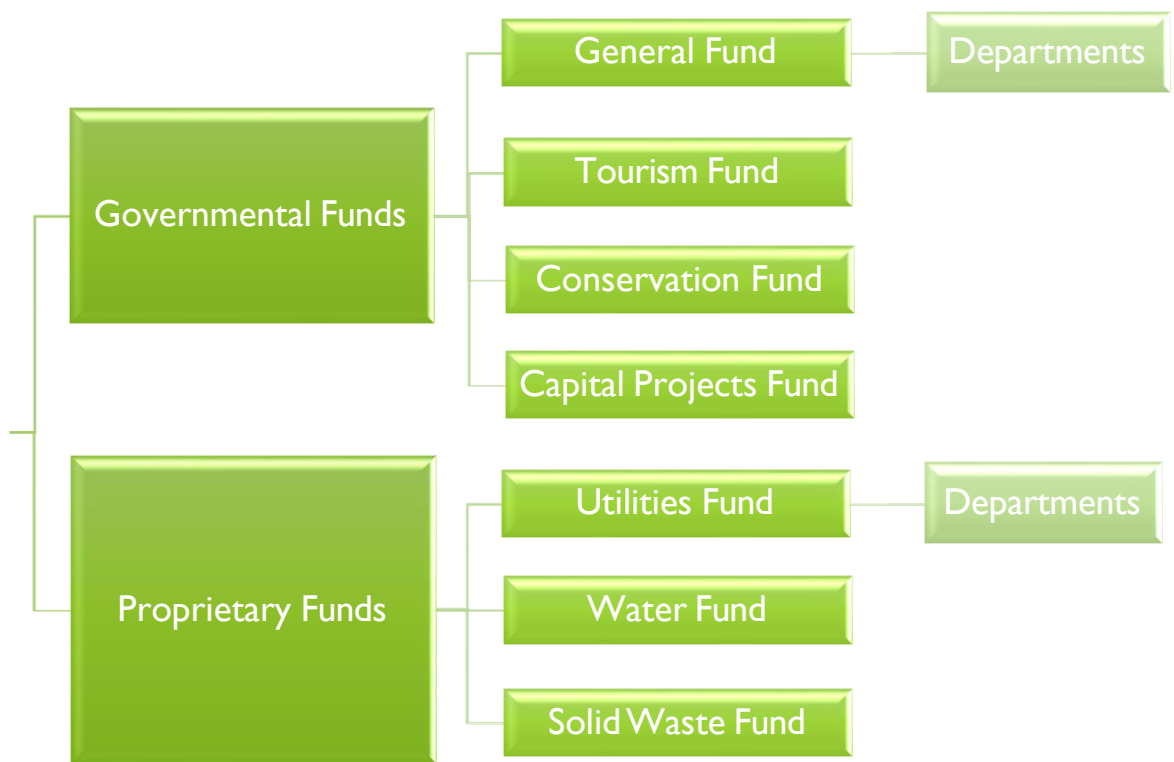

From the Government-Wide Summary, we present the financial information in relation to each type of fund. The Town has two types of funds, governmental and proprietary. The primary difference with each fund is their respective sources of revenue. Governmental funds derive revenue from taxation. The main sources of tax revenue for the Town are sales tax and property tax. In contrast, a proprietary fund derives its revenue from user fees. For the Town, these fees are primarily water, sewer, and garbage collection fees charged to residents for the use of these services. Each of these funds represents a portion of the government-wide picture and, as such, will articulate fully into the government-wide summary.

Each fund used in the Town is listed in its respective fund type. In 2025, we anticipate using seven total funds. Four funds will be governmental funds, and three will be proprietary funds. In the governmental category, the four funds consist of the General Fund, Tourism Fund, Conservation Fund, and Capital Projects Fund. In the proprietary category, the three funds are the Utility Fund, the Water Fund, and the Solid Waste Fund. The operations of each of these funds are distinctly addressed, and projected revenues and expenditures are presented for this budget.

Most government activities go through the General Fund, and particular attention is given in this budget to this fund and the departments contained therein. This is where functions like police services, fire and emergency medical services, and street maintenance are described. This is the level that provides the greatest detail and the specifics of resource appropriations for functions or projects.

ORIENTATION CHART

The following chart is an illustration of the fund system in governmental accounting. All transactions are maintained at the fund level. Funds can be further broken down into departments to aid in resource allocation, operational control, and performance assessment. The General Fund and the Utilities Fund both have subordinate departments. Funds can also be aggregated into fund types. This is how we get the classification of Governmental Funds and Proprietary Funds. When we aggregate the fund types, we can gain an overall picture of the government as a whole. This chart will appear at the beginning of each section of this budget and will act as an orientation to the portion of the governmental financial picture that will be discussed in the section. The section of the chart highlighted corresponds to the section discussed.

BUDGET TABLES

This section discusses the basic format of the budget tables used in this budget and what each element represents. This will help the reader better understand the table format and gain a better understanding of the entire budget.

The following is an example of a budget table. The **Red** numbers by each field correspond to a description of the field listed later in this section of the budget. In these descriptions, there are the calculations underlying any calculated field and the definition of the field in the table.

Fund 1

Department 2

Expenses 3		6	7	8
		2025	2024	2023
Account 4	Description 5	Budget	Budget	Actual
Personnel, Wages 10				
XXX-XXX-XXXX	Account Title	100	115	125
	Category Total 11	100	150	125
Personnel, Benefits				
XXX-XXX-XXXX	Account Title 2	300	325	400
	Category Total	300	325	400
Total Expenses 12		400	475	525

DESCRIPTIONS OF FIELDS

This is a listing of all the fields in the budget table and a definition of each.

Field Number	Field Title	Description of Field
1	Fund	Indicates the fund or organizational element of the table.
2	Department	Indicates the department or orientation level of the table. This field can refer to the orientation map of a section of the budget.
3	Type	Indicates whether the data in the table is related to revenues or expenditures. Revenues increase the resources of the Town. Expenditures decrease the resources of the Town.
4	Account Number	This column will indicate the general ledger number used in the Town's accounting system to accumulate transactional detail.
5	Account Name	This column will indicate the general ledger account name used in the Town's accounting system to accumulate transactional detail.
6	Current Budget	This column is the amount requested to be appropriated for the current budget.
7	Adopted Last Year's Budget	The data in this column represents the most recently adopted budget.
8	Actual Results 2 Years Prior to Budget Year	The data in this column represents the sum of the transactional accounting data recorded in the account referenced in fields 4 and 5 for the year ending 2 years prior to the budget year.
9	Category	The data under this delineation relates to a summary schedule category. These summary schedules are named either "Revenue by Source" or "Expenses by Type."
10	Category Total	The amounts in this row are the sum of the columns under a Category delineation. The only exception to this is the amount in the change in amount column. The amount in this column is calculated the same way the as in the rest of the rows in the table.
11	Table Total	The amounts in this row are the sum of all category totals in the table. The only exception to this is the amount in the change in amount column. The amount in this column is calculated the same way the as in the rest of the rows in the table.

DISCUSSION OF FINANCIAL POSITION

Many people have heard through their civics education, news media, or personal work experience of a balanced budget. It is required by state law that the Town administration operates a balanced budget. You may be asking yourself, "What does it mean to have a balanced budget?"

This concept means that an entity does not expend more resources in one year than it receives and has in its reserves. In other words, the resources that a Town receives for one year plus the unspent resources it has accumulated from all prior years must be less or equal to the budgeted use of those resources.

Over the past few years, through conservative and prudent financial management, the Town has built a surplus of resources in the General Fund as well as the Water and Utilities Funds. The accumulation of this surplus is known as a Spendable Fund Balance. This amount of surplus can be used for current-year operations, equipment, maintenance, disaster relief, or to reinvest in capital projects such as parks and infrastructure.

In this budget year, the Town proposes to use some of the fund balance to reinvest in parks, facilities, and infrastructure. Some of this fund balance will be used to match grant funding to help fund these projects. If awarded, grants will functionally stretch the spending power of our fund balance and increase the ability of the Town to provide more services and better infrastructure to its citizens.

This budget is a balanced budget as described above.

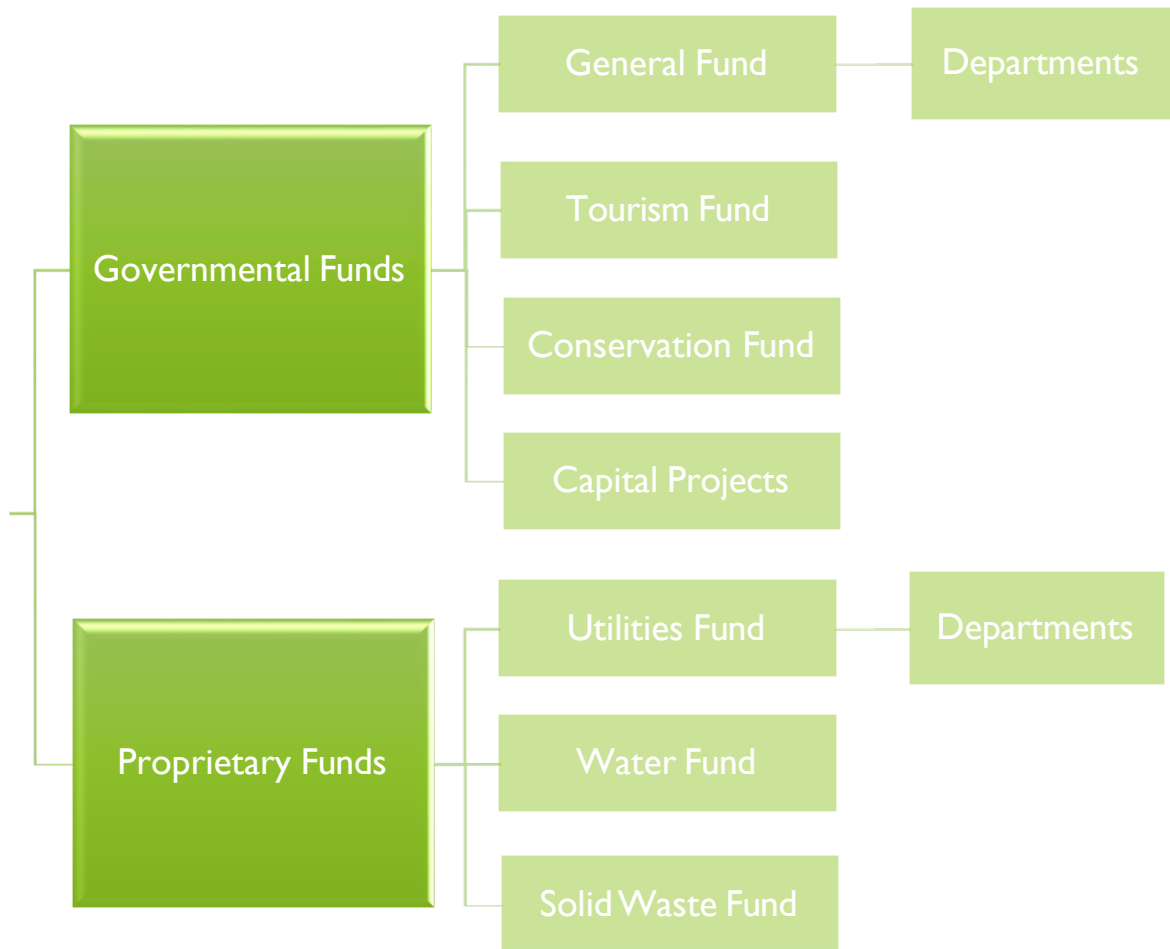

A detailed discussion of revenues and expenditures can be found in the Government-Wide section and again in the Government and Proprietary Funds section.

GOVERNMENT-WIDE SUMMARY

In the Government-Wide Summary section of this budget, we are aggregating all funds and operational expenditures into one grouping. This provides an extremely condensed and summarized view of the budget and the operations of the Town. This presentation is used primarily to orient the reader to the Town and gain a basic understanding of how each fund articulates the operations of the entire Town.

ORIENTATION MAP

As the orientation map shows, the perspective of the government we are discussing in this section is from the entire consolidated government, and the different funds are condensed into two groups: Governmental and Proprietary. This is notated in the map by the bold portion. The subdued portions will be addressed in subsequent sections.

GOVERNMENT SUMMARY

This is a summary of the government taken as a whole. All funds and fund types have been aggregated. From this summary, the reader can quickly identify some basic information from the budget and gain some perspective into the operations of the Town finance system.

There are a few terms that are used extensively in this budget that should be defined for the benefit of the users. The first of these is “revenue.” Revenue can be thought of as an inflow of resources to the Town. The second term is “expense.” Expense is the use of resources to provide services and infrastructure to the citizens of the Town. Revenues and expenses can occur in many forms, as we will see in the following tables.

We start this summary with two different tables: revenue by source and expenses by type.

The revenue by source table shows the mix of different types of revenue that the Town receives. This is a description of each category in the revenue by source table.

Revenue Category	Description
Tax	These are receipts from sales, property, and other taxes.
Licenses	This is revenue derived from licensing businesses and other enterprises in the Town.
Intergovernmental Revenues	This is grant revenue or other revenue provided by another government entity.
Charges for Service	These are receipts for services provided by the Town to end users for such services.
Fines, Forfeits, and Assessments	These are receipts from Municipal Court actions.
Interest and Rentals	This is revenue generated from cash reserves or the use of the Town’s assets.
Donations	These are receipts from citizens or business entities that are used to support the operations of the Town.
Miscellaneous	These are receipts from various sources that are not classified above.
Other Revenue Sources	These are typically non-recurring revenue sources.
Transfer from Other Funds	These are revenue sources in one fund caused by the transfer from another fund.

The expense tables show the ways the Town uses its resources to provide services to the public. This is a description of each category in the expense by type table.

Expense Category	Description
Personnel, Wages	These are expenses directly related to wages paid to Town employees.
Personnel, Benefits	These are expenses related to providing benefits to the Town’s employees. Some of these benefits include Social Security and Medicare Contributions under FICA, health and dental insurance, and retirement funding.
Purchased Professional Services	These are expenses related to contractor payments for services rendered to the Town.
Operating Expenses	These are expenses such as utilities, fuel, repairs and maintenance, and equipment lease service. These expenses allow the Town to operate.
Capital Expenses	These are expenses that are incurred to replace long-term durable equipment or to service the debt that was used for that purpose in the past.
Special Projects	These are reinvestments into the Town’s infrastructure and culture. Many of these are listed in the special projects listing section of the budget as well as in the relevant department of the project.
Transfer from Other Funds	This is an expenditure caused by the transfer of resources from one fund to another fund.

When comparing the revenues in total to the expenses in total in the government-wide summary the revenues will be more than the budgeted expenses for 2025. This results in a single-year revenue increase for the projected expenditures. This means the expected revenues for 2025 are enough to pay for the proposed expenses. These excess revenues are commonly called a “fund balance,” and this balance is largely being used to match grant funding in the General Fund. All fund balance spending is attributable to capital improvements to the Town’s infrastructure.

GOVERNMENTAL FUNDS

In this section, we will summarize all the funds designated Governmental Funds. This distinction is made based on the source of the fund's revenue. Governmental Funds are mainly funded by tax revenue. There are four distinct governmental funds included in this section. These are the General Fund, the Tourism Fund, the Conservation Fund, and the Capital Projects Fund.

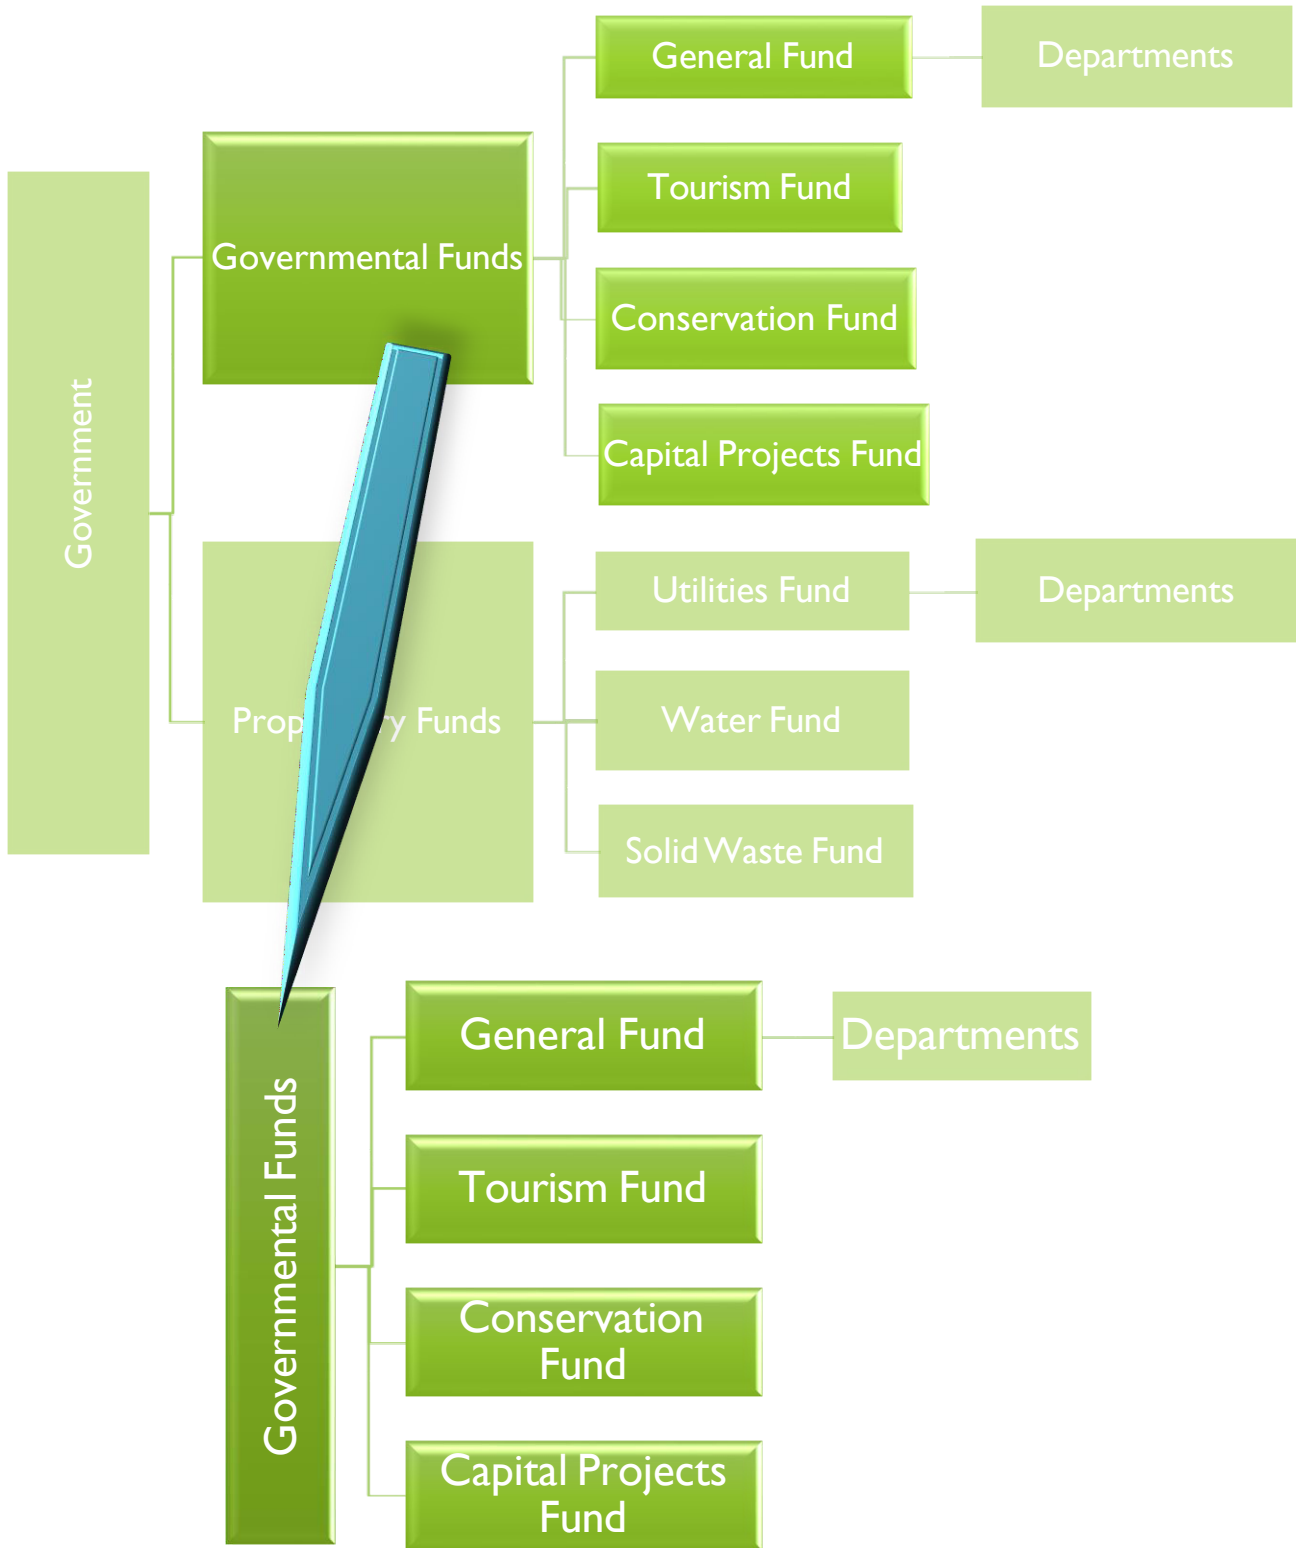

The General Fund is the main operating fund for the Town to provide government services to the public. This is the largest fund in the finance structure and is subdivided into various departments for increased resource control, accountability, and mission segregation.

The Tourism Fund is a small fund that is funded through a fee levied on lodging businesses. These funds are used to promote and market Palisade to potential visitors, as well as to help fund emergency services.

The Conservation Fund, also a small fund, is funded solely through revenue apportioned from the Colorado Lottery, and the revenue in this fund is restricted in use to the building or improvement of parks and open spaces within the Town.

The Capital Projects Fund is for tracking the expenditures of resources in the construction or completion of large capital projects. Once these projects are completed, the assets are transferred to the appropriate fund. This fund does not accumulate assets over the long term.

ORIENTATION MAP

CAPITAL PROJECTS FUND

The purpose of the Capital Projects Fund is to track revenues and expenditures as they relate to large projects. This fund is a tool for the Town to provide visibility to the public on the large projects we are undertaking. This fund does not generate any revenues organically. The sources of revenue for this fund are grants or transfers from other Town funds. This fund does not accumulate assets in the long term. Once a project is completed, the asset is transferred to the appropriate fund. All projects budgeted in 2025 will be General Fund or Utility Fund assets once they are completed. Once they are transferred to the General Fund or Utility Fund, the balance of the Capital Projects Fund will return to zero.

ADMINISTRATION

The administration office includes the Finance Department and the Clerk Department.

The Finance Department's mission is to support all departments and functions of the Town with information and financial services; design and implement internal controls that safeguard public assets and increase the effectiveness of services provided; to provide publicly accessible financial reporting in accordance with United States GAAP; to administer grant reporting; and to oversee the Town's information system infrastructure.

Finance is responsible for payment collections & postings, utility billing, payroll processing, budgeting, accounts payable, and banking, and oversees all audits, including the annual Town Financial Audit for the Board of Trustees.

The Clerk Department is responsible for a variety of tasks that require knowledge of every department within the Town. As the faces of Town Hall, the Administrative team is the front line of communications with our citizens in all areas.

The Clerk is responsible for generating true and accurate records of all official public meetings and to record & maintain all rules, ordinances, and resolutions adopted by the Board of Trustees. Additionally, the department's duties include acting as the official custodian of all official Town documents & records (this duty includes complying with public records inspection requests in compliance with the Colorado Open Records Act, Article 72 of Title 24. The Act provides that "all public records are open for inspection by any person at reasonable times," unless otherwise provided by the Open Records Act itself or other law.), conducting all regular and special elections held by the Town, overseeing all licensing procedures as set forth by State statutes and Town Ordinances (including business licensing, liquor licensing, and marijuana licensing), maintaining cemetery records (including all sales), Palisade Municipal Court, and shared duties with the Parks Department in organizing special events run by the Town of Palisade.

CEMETERY

The Palisade Municipal Cemetery is owned and operated by the Town of Palisade, Colorado, under the supervision of the Board of Trustees and pursuant to Ordinance 244.

The Palisade Municipal Cemetery is approximately 9 acres of irrigated land that employs one full time year-round Cemetery Caretaker within the Parks Department. This position is supported by Town Administration under the Town Clerk to maintain all records and documentation.

COMMUNITY DEVELOPMENT

Following the successful completion of the Palisade Game Plan in 2023, the department has been actively working on implementing its recommendations. We have been systematically reviewing and updating the Land Development Code in collaboration with the Planning Commission and Board of Trustees. This ongoing process ensures that our regulations align with the vision and goals set forth in the Palisade Game Plan. The Community Development Department is improving and simplifying our services. This means it will be easier for residents and businesses to get information, schedule meetings, submit applications, and make payments online. Customer service remains a top priority for the Community Development Department.

We are implementing new strategies to keep the community engaged in ongoing planning and development decisions through virtual and physical open houses. In collaboration with other Town departments and economic development consultants, we are working on targeted initiatives to attract and retain businesses that align with Palisade's character and economic goals. The Community Development Department is dedicated to balancing growth with preservation, ensuring that Palisade maintains its unique charm while adapting to the needs of a changing world. Our 2025 budget reflects these commitments and provides the resources necessary to continue our vital work for the Town of Palisade.

RESPONSIBILITIES

Community Development provides direct assistance with planning clearance requests. We also offer information on property-related matters such as land use, setbacks, fencing, and signage. Additionally, the department supports the Board of Trustees, Planning Commission, and Board of Adjustment with technical expertise. The department facilitates long-term planning efforts for the town, promotes economic development initiatives, and participates in regional planning efforts, including transportation and county-wide initiatives. We also assist in grant writing efforts to secure funding for various projects and initiatives that benefit the community.

The Community Development Department utilizes Geographic Information Systems (GIS) to support data-driven decision-making and enhance planning processes. Our full-time GIS Administrator maintains a geospatial database that includes land use, zoning, infrastructure, and demographic data and provides interdepartmental support to Public Works, Fire, Police, Parks, and Administration. We also offer interactive web-based mapping applications, allowing staff and the public to visualize spatial data easily. By leveraging GIS technology, we ensure that Palisade's planning and development decisions are based on accurate, comprehensive, and up-to-date information.

2025 GOALS

Enhance connectivity and active transportation within Town limits.

Define district boundaries, inventory infrastructure, and create maps for Palisade Pipes & Laterals.

Strengthen partnerships to identify and pursue relevant grants for capital improvement projects.

Develop training and outreach initiatives to enhance GIS capacity among staff & the public.

COURT

Palisade Municipal Court was established to function within the local jurisdictions according to state statutes. Municipal courts only handle cases of municipal ordinance violations within the city limits. Under C. R. S. 13–10–101, municipal courts are established as courts of records and handle cases pertaining to:

- Zoning violations
- Traffic tickets
- Animal control matters
- Parking
- Shoplifting
- Minor in Possession (MIP) Violations
- Juvenile violations, including harassment and disorderly conduct

The Court acts as an impartial factfinder in determining if a Town ordinance has been violated. The Court provides fair and impartial hearings and judgments on alleged violations of the municipal code, including the Colorado Model Traffic Code, and imposes sanctions that are consistent with the nature of the violation. Palisade Municipal Court is held once a month.

FACILITIES

The Building Maintenance Program focuses on the upkeep and appearance of all Town owned facilities. Providing safe and welcoming facilities is a core function of the Town.

Many of the Town owned facilities are in need of capital upgrades or replacement due primarily to their age. Modern demand for efficient climate control is often a significant challenge due to the functional ability of certain structures. Modern upgrades often pose significant challenges based on the unique architectural nuances of these older buildings. These challenges routinely increase the complexity of any upgrade and in turn increase the overall cost.

The Facilities Department strives to keep its facilities operating at their functional best. The nexus of maintaining historical buildings while adhering to modern demand and regulation has created a challenge that's not unique only to Palisade.

Facilities owned by the Town include the new Palisade Health Clinic, newly remodeled historical High School Gymnasium, Veterans Memorial Community Center, Palisade Pool and locker rooms, Fire Station, Police Station, Town Hall, Annex building, Water Treatment building, Sewer treatment building, Town Shops building, and various storage buildings.

FIRE

The Mission of the Palisade Fire Department is to protect the lives and property of the citizens and visitors of the Town of Palisade and the Rural Fire Protection District in the safest manner possible.

Working as a team, we will accomplish our mission by:

- Providing aggressive Fire Protection and Emergency Medical Services to the community.
- Providing quality prevention and education programs to the citizens we serve.
- Working with other public safety agencies to enhance our abilities to better serve our community

FIRE DEPARTMENT HISTORY

The Palisade Fire Department was originally formed as a volunteer organization in 1907 comprised of local farmers and residents. These dedicated individuals came together to provide services to the greater Palisade area, including the areas of Cameo, Coal Gulch, Go Boy Mine, Midwest Mine, Mount Garfield, Mount Lincoln, and Palisade Mine, which are the areas included in the Palisade Rural Fire Protection District.

Over the years, the Palisade Fire Department has evolved from an all-volunteer organization to the combination organization of today. Due to an increase in demand for services, we have slowly added paid staff positions to the organization.

SERVICES PROVIDED

The Palisade Fire Department is an all-hazards response organization. Our staff are trained to respond to structure fires, wildland fires, vehicle fires, water rescue, confined space rescue, moderate to low angle rope rescue as well as vehicle accidents & extrication, and hazardous materials response. The Palisade Fire Department also operates the ambulance transport service for the Town of Palisade, Palisade Rural Fire Protection District, and East Orchard Mesa under the Mesa County Ambulance Service Area Agreement.

Additionally, the department offers CPR & First Aid classes for the public, home safety surveys, fire inspections for commercial businesses, building permits, and pre-plan development.

RESPONSE AREA

There are two areas that the fire department covers. The Town of Palisade – This includes all property within the city limits of the Town of Palisade, amounting to approximately 1.2 square miles. The Palisade Rural Fire Protection District - This is a Title 32 Special District that has a 5-member board of directors and contracts with the Town of Palisade for Fire and EMS services. This includes all property from 35 Road on the west, I-70 to the north, Colorado River to the South, the area known as the Vinelands, and Rapid Creek with an arm up DeBeque Canyon, including Cameo Shooting Complex and the truck which amounts to approximately 6.47 square miles.

The area, including the Book cliffs up to the Beaver Tail Tunnel, to the base of the Grand Mesa, including Horse Mountain, is known as the unincorporated area of Mesa County and is serviced through a mutual aid agreement with the Mesa County Sheriff's Office. East Orchard Mesa Fire Protection District is also included in the Palisade Fire Department's Ambulance Service Area or ASA, which amounts to approximately 51.1 square miles. The total coverage area for the Palisade Fire Department and EMS service is approximately 59.37 square miles. Through a county-wide mutual aid agreement, all areas of Mesa County are covered for EMS by the Fire Departments, and therefore, the Palisade Fire Department may be called to respond to any location within Mesa County for emergency assistance.

APPARATUS

The Palisade Fire Department provides service to our community with a variety of apparatus. Based on the type of incident, we will utilize different and/or a combination of apparatus. Our fleet consists of the following units.

- 1 – 2005 Spartan Gladiator/Elite Class A Engine with a 1,500 gpm pump and 750 gallons of water.
- 1 – 2015 Freightliner Type 4 Urban Interface unit with a 350 gpm pump and 1,000 gallons of water.
- 1 – 2006/2021 Sterling Type 2 Tactical Tender with a 500 gpm pump and 2,200 gallons of water.
- 1 – 2018 Type I Ford F-450 ALS/BLS ambulance with four-wheel drive.
- 1 – 2022 Type III Ford E-450 ALS/BLS ambulance
- 1 – 2009 Type I International Light Rescue/Ambulance
- 1 – 2006 Ford Expedition ALS/BLS squad
- 1 – 2023 Ford XL Command Pickup (pending delivery)
- 1 – 2023 Polaris Ranger 1000 with a FireLite skid unit and trailer

We are especially proud of our 1937 W.S. Darley & CO Champion Fire Engine, referred to as Old Red, which was built with a 500 GPM Champion Fire Pump and 300 gallons of water. This was Palisade's first engine and remains operational to this day. This is often seen in local parades carrying various dignitaries.

Up until the end of 2013, we had the honor of hosting the "Delany Engine." This unit is a 2010 Mack owned and maintained by the Mesa County Fire Chief's Association. This engine was used to raise cancer awareness and can be seen throughout the Grand Valley at various events. Unfortunately, due to rising maintenance costs, the decision was made to decommission Delany.

STAFFING

Our personnel are all cross-trained in both fire and medical services. While referred to as Firefighters in the general term, many hold specialized certifications.

Due to the nature of emergency response and the unpredictability of when a fire or medical emergency will take place, emergency response personnel for the Palisade Fire Department work a rotational shift consisting of a 48/96 schedule. This means our personnel will work two days back-to-back and then are off for four days unless called back for large-scale incidents or special events. There are three shifts (Red, Black & Green) that rotate, ensuring that there is someone on duty 24 hours a day, seven days a week, 365 days a week throughout the year. Our staff work on weekends, holidays and special occasions as part of their rotational schedule.

All members of the organization are trained to a minimum of Firefighter I with EMT. Many of our staff have gone above minimum requirements in both fire and medical training and certification levels.

PARKS

The Parks Department provides clean, safe, and maintained areas at:

- Riverbend Park
- Veterans Memorial Park
- Peachbowl Park
- Palisade Swimming Pool
- Main Street Town Plaza
- Bike Skills Park
- Skate Park
- Seasonal flower beds
- Additional areas - Independent Park, Civic Center campus, Health Clinic and Hwy 6 landscaping

RESPONSIBILITIES

- Ensure a clean and safe park environment for community members and visitors to enjoy
- Provide all citizens and visitors with a variety of leisure facilities that are safe, accessible, well-maintained, and enjoyable
- Maintain manicured lawns by mowing, trimming, irrigating, and fertilizing appropriately
- Weed control through appropriate methods
- Maintenance of restrooms, shade structures, picnic tables, benches, fencing, etc.
- Routine safety inspections of playground equipment and park facilities
- General care of the Town's tree canopy - planting, pruning, and removal when necessary
- Trash removal in all Town owned parks and open spaces
- Irrigation maintenance and repair on all park sprinkler systems
- Support athletic and recreational events in Peachbowl Park by preparing the fields and surface conditions for a safe and enjoyable playing and recreational experience
- Support special events in parks by providing electrical, water, temporary fencing, assisting with traffic mitigation, event consultation, and logistical support
- Decorate the downtown area for the 4th of July Holiday
- Decorate the downtown area for the Olde Fashioned Christmas Holiday
- Assist in the care of community artwork throughout the Town
- Maintain the flying of the U.S. Flag on town property and in parks

POLICE

The Palisade Police Department values the Town of Palisade, our community, and the citizens and guests who visit our town. We strive to provide a safe and secure locale while maintaining a friendly, small-town feel.

Continued education and training are paramount in delivering proficient law enforcement services to our citizens and maintaining superior professional standards.

The police department has been working with Lexipol, a state/nationwide program that assists agencies with policy updating and implementation. This has been a crucial step toward applying for accreditation with the State of Colorado. The police department has entered into an agreement with the Mesa County Sheriff's Office (MCSO) and Grand Junction Police Department (GJPD) for a crime scene task force, also an agreement with MCSO for one officer to join for the first time in history the MCSO Special Weapons And Tactics (SWAT) team. The Police Department is dedicated to adding an additional School Resource Officer for the 2023-2024 school year. The Student Resource Officer (SRO) Program will have two SROs to enhance safety and police services at Palisade High School, with approximately 1,200 staff and students, and Taylor Elementary, with approximately 400 staff and students.

The Chief of Police serves as the executive representative for the Palisade Police Department.

ADMINISTRATIVE DIVISION

The Administrative Division is made up of the Records Division, Investigative Division, Evidence Division, and Code Compliance Division. The Administrative Division is directed by the Chief of Police and managed by an administrative Police Lieutenant.

The Records Division is responsible for maintaining all police records pertinent to the Town of Palisade. Records requests, records management, and coordinating with outside organizations relating to the sharing of information. Sex Offender Registration is handled within the Records Management Division.

The Evidence Division is managed within the Records Management Division.

Criminal investigations are managed within the Administrative Division. Investigators also serve on county-wide critical incident teams and boards relating to investigative functions. Investigators are on-call during off hours to provide adequate coverage for larger-scale incidents that may occur in Palisade.

The Code Compliance Officer, Records Division, is managed by the Administrative Sergeant.

PATROL DIVISION

The Patrol Division is made up of the Patrol Team, Training Division, School Resource Officer Program, and Reserve Team. The Patrol Division is directed by the Chief of Police and managed by a Patrol Sergeant.

The Patrol Division is responsible for responding to all calls for service, proactive preventative enforcement action, documenting and reporting, community policing efforts, and working with prosecutors towards positive outcomes.

Continued training both in mandatory law enforcement training and professional growth. Continued support of neighboring police agencies.

POOL

The Town owns and operates an outdoor warm water pool during the summer months for the public to enjoy. The main pool features up to six lap lanes, a diving board, and has both shallow and deep ends. There is a kiddy pool that's separate from the main pool. The pool was constructed in the 80's and has been a staple in the community ever since.

The locker rooms received a much-needed remodel in 2019, and the pool infrastructure continues to receive upgrades as needed.

RESPONSIBILITIES

Provide a clean, safe, and enjoyable pool experience for the pool patrons. Provide opportunities for learn-to-swim lessons to take place. Contract with the City of Grand Junction Aquatics Department for all lifeguard staffing needs.

RECREATION & EVENTS

The Town's Recreation Department is responsible for planning and administering all the Town's hosted events. It is also responsible for coordinating staff as well as working with private instructors for the indoor and outdoor recreation programs offered in the Town.

Special Events presented by the Town of Palisade help bring the community together, keep people active, and provide fun and affordable family activities and outings. Special Events are also an economic driver for the local town businesses and economy.

Events that are coordinated by the Town of Palisade include:

- Bluegrass Festival
- Peachfest Ice Cream Social
- Palisade Sunday Farmers Market
- Trick-or-Treat Street
- July 4th Parade and Park Festivities
- Parades

The Events Department assists Special Events that occur within the Town through the special events application process. The Events Department helps other event coordinators by ensuring they have proper traffic control plans, appropriate security, liquor licenses when needed, properly notify the community and are logistically well-planned events. These events include but are not limited to:

- Honeybee Festival
- Vintage Motorcycle show
- Brews & Cruise
- Sing up the Sun
- Lavender Fest
- Tour de Vineyards
- Peachfest
- Peachy 5&10K Fun Run
- Winefest
- Palisade Art Festival
- Ice Bowl disc golf tournament
- Grand Valley Half Marathon
- Colorado State Disc Golf Championship
- Palisade Highschool Marching Band Car Show

BLUEGRASS FESTIVAL

The Palisade Bluegrass Festival is a very popular, well attended event that highlights bluegrass music for 3 days in beautiful Riverbend Park. Historically this event generates revenue for the Town in the form of tax revenue, ticket sales, vendor licensing, merchandise sales, and alcohol beverage sales. The revenue offsets the expenses associated with the event and generates surplus revenue back to the general fund. New for the 2023 festival, the Board of Trustees approved a multiyear contract with Mountain Groove Productions to oversee most aspects of the logistics and subcontracting for the event. This allowed Town staff to focus more on Park improvements and enhancements for the festival. The Town is now paid on a per ticket basis from Mountain Groove Productions to generate revenue for the General Fund from the event.

PALISADE SUNDAY FARMERS MARKET

The Palisade Sunday Farmers Market continues to receive local and national acclaim. The Market continues to operate on a wait list system for vendors trying to be a part of the Market's success. The Market's footprint is at full capacity and requires weekly attention to vendor cancelations and weekly drop-ins. The Market Coordinator

and staff work continuously to make sure the Palisade Sunday Farmers Market is the best Market around!

RESPONSIBILITIES

- Continue the success of the Palisade Bluegrass Festival.
 - Continue to operate the Palisade Sunday Farmers Market.
 - Continue to provide safe and well-managed special events for the Town.
 - Continue to provide the free July 4th celebration, Peachfest Ice Cream Social, and Trick-or-Treat Street to bring the community together with family-friendly fun.
-

STREETS

The Town of Palisade streets department encompasses several modes of transportation: vehicle, bicyclist, pedestrian, segway transportation, and horse-drawn carriages. The Town works in cooperation with the Grand Valley Regional Transportation Committee to create meaningful public transportation through Grand Valley Transit (GVT).

Palisade continues to work to install sidewalks creating critical pathways around Town based on the Critical Pathways Map. Palisade performs an annual road asphalt evaluation program to determine asphalt treatments to preserve roadways to create safe, drivable streets. The Streets department is also responsible for street sweeping operations, street sign installation and maintenance as well as the upkeep of Town owned parking lots.

COLLECTION DEPARTMENT

The Collection Department in the Utilities Fund classifies the resources used to acquire and maintain the sewage infrastructure to transport sewage from its source to the Town's sewage treatment facility.

RESPONSIBILITIES

The Collection Department is responsible for maintaining the sewage infrastructure to transport sewage from its source to the Town's sewage treatment facility. The Collection Department performs annual maintenance on all sewer collection pipes through jetting and swabbing of the lines. The Department also performs any required repairs of the infrastructure.

TREATMENT DEPARTMENT RESPONSIBILITIES

- The Treatment Department is responsible for treating the Town's raw sewage through the use of a sewer lagoon system.
- Testing the processed water to make sure it complies with the Colorado Department of Public Health & Environment (CDPHE) requirements before diffusing into the Colorado River
- Maintenance and repair of 5 sewage lift stations
- Maintenance and repair of all lagoon infrastructure including headworks wet well, aerators, transfer pumps, step screen and screen press, chlorine injection and dechlorination systems, and effluent discharge diffuser.

WATER DEPARTMENT

The watershed that supplies the Town of Palisade with its one-of-a-kind water is on the northwest flank of the Grand Mesa. The basin includes approximately 22.9 square miles of surface area with 22 natural springs and Cabin Reservoir supplying the Town with pristine, fresh, first-use water.

Our water plant purifies water with two Pall membrane skids with a combined capacity of just over 2 million gallons per day. We use sodium hypochlorite to carry disinfection throughout the water distribution system. We distribute water that meets or exceeds the standards set by the Colorado Department of Public Health and Environment.

The distribution system includes over fourteen hundred metered connections. We have sizes of up to two-inch meters in our water system. The Town has over 170 fire hydrants to maintain, with approximately 300 valves and pipe sizes ranging from 2 inches up to 18 inches.

RESPONSIBILITIES

- Provide exceptional water to Town residents and visitors
 - The treatment of raw water to meet or exceed CDPHE requirements
 - Maintain and improve all water sources and infrastructure in the Town's watershed
 - Maintain and improve the water distribution system
-

	3,246,000	2,928,000	5,572,964

* 2023 Includes \$1.2M in Federal Grant Revenue and has \$1M more in Sales Tax Revenue than 2024 due to Consumer Spending drop and GJ Marijuana stores opening

** See Capital Equipment Report for Details of Proposed Purchases.

SUMMARY BY FUND TYPE

When the financial information is aggregated in the government-wide level, it makes it difficult to determine which resources are being used and how. It is valuable to make a distinction between funds based on the source of revenue and group them based on this distinction. We have divided the funds into two different types: Governmental Funds and Proprietary Funds.

Governmental Funds are funds that derive their revenue primarily from taxation. In the town, this is largely sales and property taxes.

Proprietary Funds are funds that derive their revenue primarily from user fees. In the town, water, sewer, and refuse collection are services where the users pay a fee for services provided.

There is a different picture of the budget presented. The Proprietary Funds are projected to have a revenue-to-expense budget shortfall, and their special and capital projects are going to be funded using the revenue from fund contributions in prior years. The governmental funds are also projected to have a revenue-to-expense budget shortfall, and their special and capital projects are going to be funded using the revenue from fund contributions in prior years.

Governmental and Proprietary Funds by Fund Type

ORIENTATION MAP

GENERAL FUND

The General Fund is the primary operating fund for the Town to provide governmental services to its citizens. These services include police services, fire/emergency medical services, street maintenance, cemetery care, parks, pool, community development, and events/recreation.

The General Fund obtains most of its revenue from sales and property taxes. In the 2025 budget, there is a small decrease in revenue from tax. In 2024, the Town budgeted tax revenue very conservatively due to the unknown timing of the GJ impact on Sales Taxes, but with their delay in implementing the Marijuana program, we did amend up our projection for the year. Tax revenue was not negatively impacted to the extent that was expected. For the 2025 budget, we are estimating the impact will lower the budgeted revenue from tax sources based on our revenue received in these prior years for Sales Taxes.

The fund balance analysis shows the changes in fund balance from year to year. A fund balance can be thought of as accumulated profit or loss throughout the entity's life cycle. There has been a positive trend in the fund balance year to year in this analysis. If this was business accounting, this balance could be thought of as the equity in the business or the pool from which dividends could be distributed. The town government is not a business, and this balance has a different meaning. This balance is the accumulation of revenue in excess of expenditures from one year to the next. A government can build these resources to save up for capital improvements, increased services, and infrastructure repairs, maintenance, and improvement. This means that we are projecting that all current-year revenues will cover current-year expenditures for this fiscal year.

TOURISM FUND

The Tourism Fund is funded solely with a town administered occupancy fee levied on lodging businesses. The fee is passed through to visitors and is \$2 per lodging unit per night. The revenue collected from this fee is used to promote Palisade and the business community herein. Nearly all the resources expended in this fund are for advertising, marketing, and promotion of Palisade.

PROPRIETARY FUNDS

Proprietary Funds derive most of their revenue from user fees from services provided to customers. The Town has three funds that fall into this category. These are the Sewer Fund, Water Fund, and Solid Waste Fund. The services measured by each of these funds are all delivered to Town residents.

The Sewer Fund measures the revenue, expenses, liabilities, and assets of the sewage/wastewater collection and treatment operations.

The Water Fund measures the revenue, expenses, liabilities, and assets of the treatment and distribution of potable water to Town residents.

The Solid Waste Fund measures the revenue, expenses, liabilities, and assets of the collection and disposal of garbage and refuse.

In comparing the revenues and expenses for each of these funds, the Sewer, Water, and Solid Waste Funds are fully funded with estimated annual revenues and partial use of accumulated fund balance to finance operations. The projected expenditures for each of these funds are listed with the projected revenues.

Proprietary Funds Revenue to Expenses Summary

Revenues	2025 BUDGET	2024 BUDGET	2023 ACTUALS
----------	----------------	----------------	-----------------

FUND			
Sewer	1,300,000	1,441,459	766,170

* The fund is operating at a Deficit, this directs us to have an increase in fees to correct.

** The fund is operating at a Deficit, this directs us to have an increase in fees to correct.

SEWER FUND

The Sewer Fund records the revenues and expenditures for the Town's domestic wastewater system (sewer collection and treatment). The Town operates the wastewater treatment facilities and maintains the in-ground collection infrastructure, which includes pipes and lift stations.

Our domestic wastewater system includes five lift stations that feed a sewer lagoon system capable of treating 0.42 million gallons per day of domestic sewage. The diffuser discharges the treated water into the Colorado River. The fund is divided into two different departments: the collection department and the treatment department. The collection department is responsible for the sewer lines in the street that carry effluent from houses and businesses to the treatment plant. The treatment department is responsible for running and maintaining the sewage treatment plant.
