## PALISADE BOARD OF TRUSTEES

### Staff Report

Meeting Date: 1/13/2026

Department: Fire Department

Department Director: Charles K. Balke, Fire Chief

---

### Comments from the Fire Chief

2025 was another building year for the Palisade Fire Department.

We had a successful year for the wildland program. This was the second year of the program and the first that we were able to get our crews out on assignments. This was a positive addition to our operational capabilities in both that it provides new opportunities for our members to gain experience, and it generated a supplemental revenue stream. While it cannot be guaranteed that this will always be the case, it has generated some renewed interest from our current members and from those outside the agency.

I look forward to the continuing progress the agency and our members will make in 2026 and beyond.

### Administrative Update

- I am working with EMS/MC to explore a new ambulance billing company and will bring a proposal to the Town of Palisade Board of Trustees to switch companies in efforts to improve our collection rate.
- We continue working through revisions to the Fire Department SOPs to reflect modernization to the organization and changes in various legislations.
- I am still waiting to hear more concerning the potential solar project off of 39 road with Pivot Energy.
- Palisade Fire has officially transitioned to the new mandated incident reporting system call NIRES. This replaces the previous NIFIRS reporting system.
- I have conducted a second hydrostatic and flow testing for the Cygnus Warehouse at 3691 G. Road

### Personnel Update

- All probationary members successfully completed their proficiency testing and therefore released from probation to regular status.
- The individual placed on administrative leave has returned to work with conditional parameters. Due to legal guidance the members' name and situation are not for public release.
- We currently have 10 applications for volunteers and will be scheduling the testing process.
- In 2026 we will have the addition of two more members advancing to the paramedic level.

### Training Update

- We will have two scheduled Live Fire Trainings for January. These are for the D51 High School Academy but will have personnel from both PFD and MCFA attending.
- We are sending three people to the Winter Colorado Wildfire Academy this month.
- We are sending 6 people to wildland classes in Hotchkiss over the next two months.

## Apparatus/Equipment Update

- Nothing to report

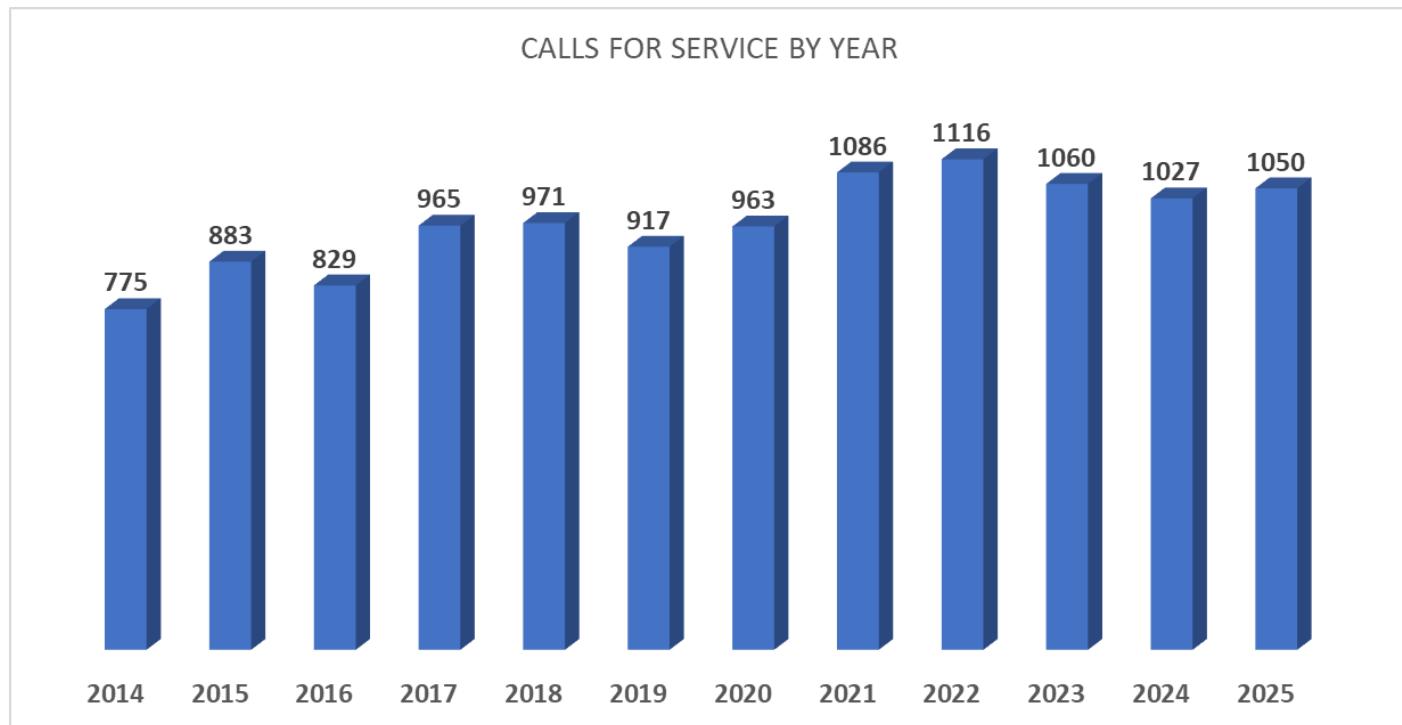

## Mesa County Fire Authority Update

- We have four current applications for membership. Entry testing is being scheduled.
- MCFA has transitioned over to NERIS reporting system
- Looking at a joint fire academy with PFD
- Starting the process of updating SOPs based off what was provided via Lexipol

## Operations

### Agenda Item Cover Sheet

**Meeting Date:** **January 13, 2026**

**Presented By:** **Community Development Director**

**Department:** **Community Development**

**Re:** **Ordinance 2025-11 to comply with Colorado House Bill 24-1152**

---

**SUBJECT:**

This ordinance updates standards for accessory dwelling units (ADUs) to comply with state law and reduce barriers to development.

**STATE LAW COMPLIANCE**

Colorado House Bill 24-1152 established statewide standards for ADU development. This ordinance brings Palisade into compliance with state law.

**KEY CHANGES**

To comply with state law, we're adding state-required definitions and allowing one ADU per single-family home in most residential zones (except Light Industrial and Commercial Business zones). ADUs can now be as small as 200 square feet or as large as 750 square feet, regardless of your home's size, with a maximum of 900 square feet or 50% of your main house. Design and material requirements for ADUs cannot be stricter than what's required for regular single-family homes. If you already have a driveway, garage, or parking space, you can designate that for your ADU no need to build new parking unless you have no existing parking, you're in a zone requiring parking, and on-street parking is prohibited on your block.

**ALIGNMENT WITH COMPREHENSIVE PLAN**

This ordinance implements Comprehensive Plan Action 2.1D4: "Encourage accessory dwelling units (ADUs) in all zone districts and allow ADUs as a use-by-right in all single-family homes." By reducing parking requirements, this change:

- Lowers construction costs for ADUs
- Supports affordable housing opportunities
- Encourages infill development and efficient use of existing infrastructure

**RECOMMENDATION**

Planning Commission forwarded a unanimous recommendation of approval to the Board of Trustees during the public hearing held on 01/06/26 for Ordinance No. 2025-11, ensuring compliance with state law and support for affordable housing goals.

**Re:** **Xcel Electric Repair Downtown Main & 3<sup>rd</sup> Street**

---

**SUBJECT:**

Roughly 15-20 years ago, the electrical lines/conduit between the street lights and the street outlets became co-mingled, spliced together. This has caused problems with electric bill charges to the Town, the function of the downtown streetlights, and the function of electric outlets.

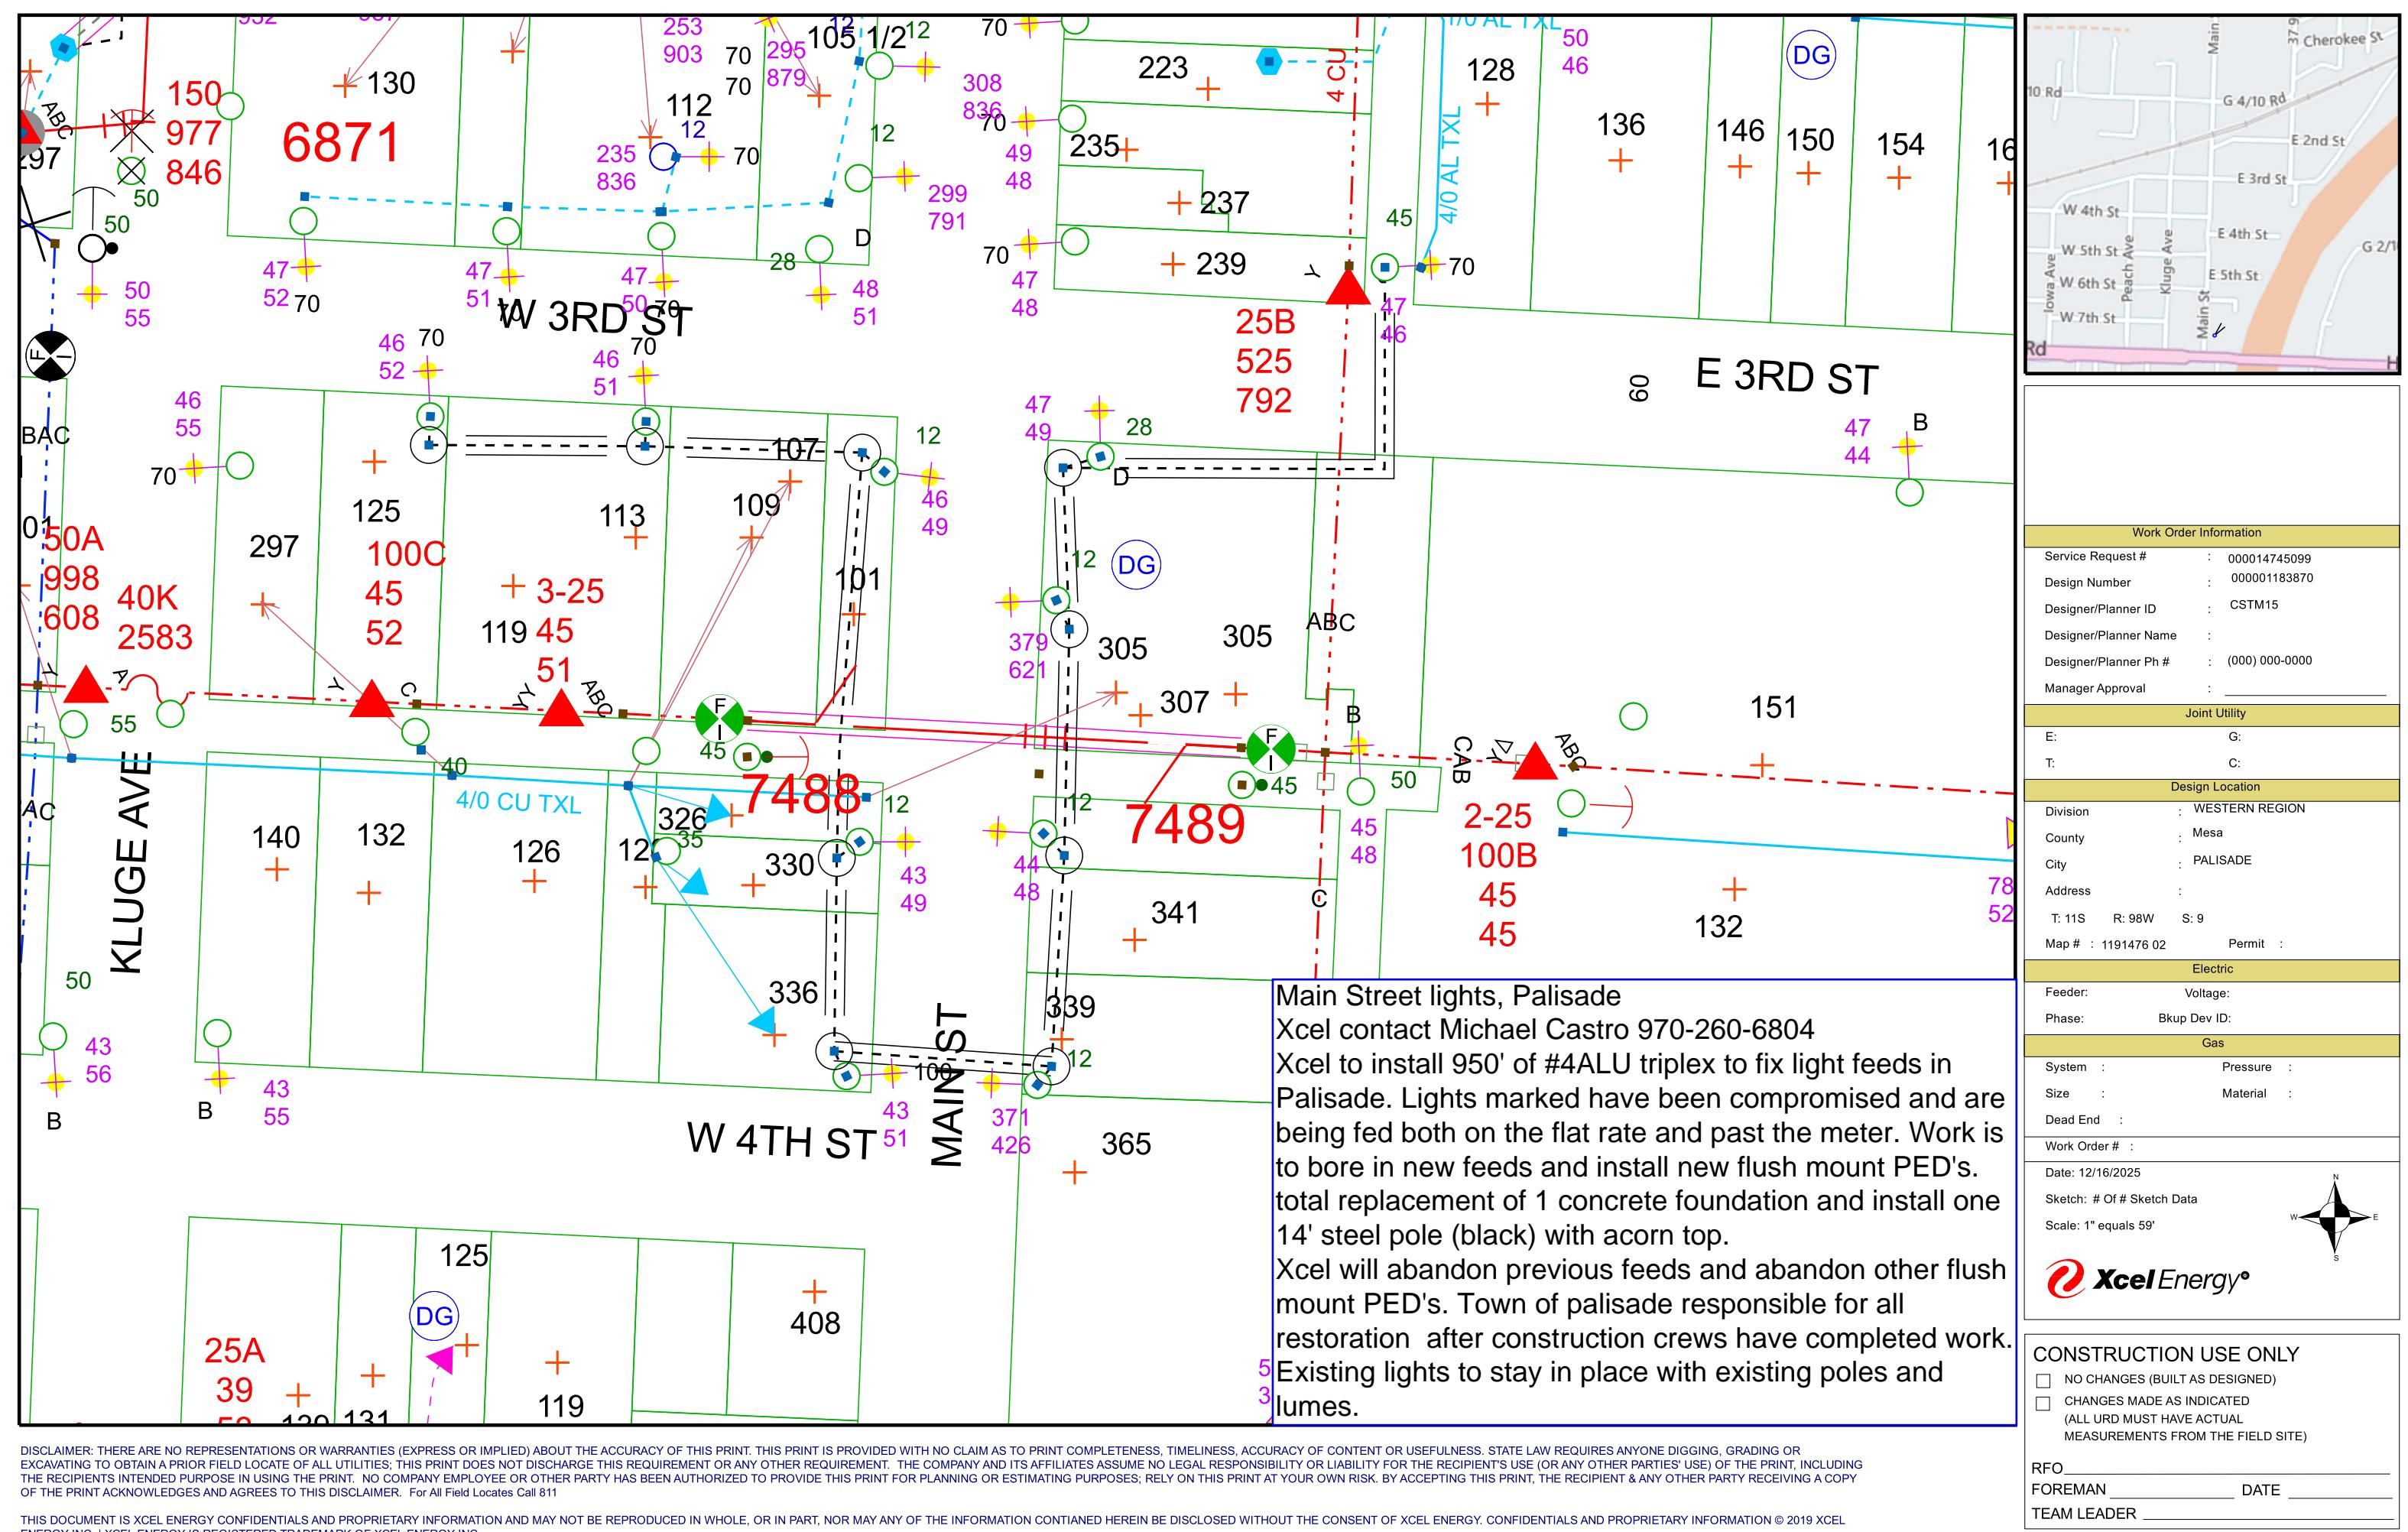

This bid is submitted by Xcel to repair this problem. Because it is Xcel infrastructure, it does not go out to competitive bidding, but the cost to repair by the company. The Town is responsible for the repair costs.

See diagram – the bid requires boring and pot holing through downtown to lay new electric conduit and lines to light poles and power boxes.

The Town is responsible for additional costs to repair the concrete sidewalks, which include boring holes and replacing sections.

**Direction:**

Give Direction to the Town Manager to sign the Xcel Project contract of \$60,163.30 to begin the project this winter for completion by spring. Direction includes additional funding from the general fund to repair sidewalk replacement and patching at an additional cost to the project. Not to exceed \$20,000 for sidewalk repair.

**Re: Letter of Interest: Town of Palisade Trustee**

Dear Trustees,

I am writing to formally express my interest in serving as a Trustee for the Town of Palisade.

I am eager to return to the Board of Trustees to provide experienced, fiscally responsible leadership for the people of Palisade.

Having previously served eight years as a Trustee and Mayor Pro Tem for our community, I have a deep understanding of the unique challenges and opportunities facing Palisade.

My goal is to leverage my extensive background in finance, law, and municipal governance to ensure the continued prosperity and stability of Palisade.

I have remained deeply invested in the leadership of the Grand Valley. My service includes:

- **Municipal Leadership:** Served as Vice President, Treasurer and Secretary of the Colorado Municipal League; and three years with the 5-2-1 Stormwater Authority as President.
- **Infrastructure & Utilities:** Four years as President of Palisade Irrigation Pipes & Laterals.
- **Community Advocacy:** Ten years as a board member and volunteer for Grand Valley Catholic Outreach and four years as President of the Grand Valley Interfaith Network. I also served four years as President of the Friends of the Mesa County Library.

My professional qualifications provide a foundation for municipal oversight. I hold a JD and an LLM (cum laude) from Mitchell Hamline School of Law and am a Certified Public Accountant (CPA), Certified Management Accountant (CMA), and Certified Internal Auditor (CIA).

My career includes serving as CFO for major healthcare organizations and working as an auditor at a top regional firm. This financial expertise allows me to

approach town budgeting, infrastructure planning, and fiscal policy with rigorous analytical precision.

My academic background is diverse, with an MBA from the University of St. Thomas and an MA in African Studies from Northwestern University. I am a member of the Triple Nine Society.

I possess a global perspective shaped by living in London, Berlin, and Passau, Germany. I have travelled extensively in Europe, Africa and North America. I have previously lived in Evanston, Peoria and Rock Island Illinois, Providence, Rhode Island and Minneapolis, Minnesota.

I am qualified to be a SAR, a member of the National Society Sons of the American Revolution (SAR) (Captain Eli Edwards, 3<sup>rd</sup> Connecticut Regiment).

I am also a Service Leader (Shaliach Tzibur) within the Jewish community and a lifelong student of languages, including French, German, KiSwahili and Hebrew. I have studied Spanish in non-academic settings.

Thank you for considering my request

Sincerely,

Dear Members of the Palisade Board of Trustees,

I am writing to formally express my interest in being considered for appointment to the Palisade Board of Trustees. Having grown up in Palisade and graduated from high school here, and now returning to live within the town limits, I bring both a long-standing connection to the community and a renewed commitment to its future.

My perspective is shaped by having seen Palisade evolve over time—its traditions, its challenges, and its unique character. I value the history that makes this town special and believe it is essential that future decisions respect and preserve that identity. At the same time, I am enthusiastic about thoughtfully moving Palisade forward, particularly as tourism and the local wine industry continue to develop and create new opportunities for economic growth.

If appointed, I would prioritize responsible stewardship of town funds, ensuring fiscal decisions are transparent, prudent, and made with long-term sustainability in mind. I am equally committed to the importance of maintaining and updating town infrastructure so that growth does not outpace the services and systems residents rely on. Careful planning, accountability, and community input are values I would bring to every discussion and decision.

I would be honored to serve Palisade in this capacity and to contribute a balanced perspective that respects our past while preparing for a strong and sustainable future. Thank you for your time and consideration.

Sincerely,

Board of Trustees  
Town of Palisade  
175 E Third Street  
Palisade, CO 81526

Dear Board of Trustees,

My name is JoAnn Rasmussen, and I am interested in applying for the open position on the Board of Trustees for the Town of Palisade. My husband and I are the owners and caretakers of the 118 year old Historic Crissey House, which is the only private residence in Palisade on the National Register of Historic Places. My husband is a cybersecurity fellow for a defense contractor working remotely from his home office, and our daughter graduated from the International Baccalaureate (IB) Diploma Programme at Palisade High School in 2024. She is currently a student at Colorado Mesa University. When we moved to Palisade almost five years ago, we knew no one and were welcomed with open arms. We are proud to call Palisade our home.

Like many of the original pioneers of Palisade, I was born and raised in Iowa. I received my bachelor's degree from Simpson College. My husband and I moved from the Midwest to Colorado and lived in the Denver Metro for over 20 years prior to moving to Palisade in 2021.

I have always been drawn to serving my community in a volunteer capacity, and I have extensive executive board experience. On the Front Range, in addition to volunteering at our daughter's school for nine years, I served on a school Board of Directors for six years: one year as Secretary and shadow to the President, and five years as President. I was also a volunteer with the Arvada Police Department in their Records Department. When we moved to Palisade, I continued finding ways to help our community. I am a former volunteer Victim Advocate Personnel (VAP) with the Mesa County Sheriff's Office, and I also served on the Community Advisory Council at Palisade High School for three years - two years as Vice President, and although I am no longer active in these roles, I made lasting relationships in all of them. I am active with the Palisade Historical Society, serving happily on their board for three years - the last two years as Chair. In 2024, I was appointed to the Tourism Advisory Commission (formerly TAB) for the Town of Palisade. I am also involved with the Mesa County Historical Society; I'm a member of the Colorado Archaeological Society, and I am a volunteer instructor for New Dimensions Lifelong Learning Institute in Grand Junction.

I have attended many of the Board of Trustee meetings and appreciate the professionalism and camaraderie I have witnessed in the current board. I have the temperament and skills to be a valuable addition. I understand the importance of having a board that represents differing opinions and can yet come together to reach thoughtful decisions and then speak with one voice. I am well-versed in Colorado Sunshine Laws. I value communication, collaboration, and data-driven decision making. I pride myself in being open-minded. I am familiar with the Comprehensive Plan, and I know there will be a learning curve with this appointment, but I have an eagerness to do my homework and gather information about issues. I am excited about this opportunity.

If appointed, I look forward to serving the Town of Palisade in this capacity.

Sincerely,

JoAnn E. Rasmussen

Re: Letter of Interest  
Trustee Vacancy

Dear Trustees,

Since moving to Palisade, my family and I have truly put down roots and made this community our home. We have worked hard to be involved, to build relationships with our neighbors, and to contribute in meaningful ways. Through opening two downtown businesses with my wife, Kristen, and serving on the Palisade Planning Commission, I have developed a deep appreciation for the importance of a strong, vibrant municipality; one that serves its residents and thoughtfully plans for the future.

I believe my experiences here, combined with the perspective I have gained from living and serving in other communities, have prepared me well to help the town navigate both the opportunities ahead and the challenges that inevitably come with growth and change.

Throughout my life, I have been guided by the values of community, progress, and heritage; values that are clearly reflected here in Palisade. I bring broad experience in business, small government, and nonprofit organizations, along with a practical understanding of budgeting, planning, collaboration, and compromise. More importantly, I bring a genuine desire to see Palisade continue to thrive while remaining true to what makes it such a special place to live.

I respectfully request your consideration for appointment to the current trustee vacancy. It would be an honor to serve the Town of Palisade in such a meaningful way.

Sincerely,

*Ed Seymour*
