PALISADE BOARD OF TRUSTEES

Staff Report

Meeting Date: **May 9th, 2023**

Department: Police Department

Department Director: **Jesse James Stanford, Chief of Police**

Stats for April 2023:

- The month of April had 243 Calls for Service.

Grand Junction Communication Call Summary:

To date, the Police Department had 1,017 calls for service. Last year at the end of April of 2022, we were sitting at around 1,113. We are currently at a 10% decrease in calls for service this year. Our response time to priority one emergency calls is 7:24 seconds. The call for service process takes 1-2 minutes: creating the call from dispatch, then dispatching an officer, and then travel time to the call location for the officer.

Reports and Summons:

Case Reports 19
Supplement Reports 13

Arrest Reports 3

- Warrant 3
- Domestic violence 1

Traffic:

14 traffic citations were issued this month that included speeding, stop sign violations, and other moving violations.

Training:

- In-service training took place with officers completing 4 hours of DT, 3 hours of Search and Seizure, and 4 hours of driving at the CLETC driving track. We are on track to complete mandatory in-service training much earlier in the year so we can focus our attention on festivals, proactive patrol duties, and other special events in our community.
- Detective Segers attended the STARK symposium about sex assault investigations.
- Lt. Post completed the third and final week of LPO (Leading Police Organizations). This training offers strategies in improving operations within a police department from a police management perspective.

Investigations:

- Multiple reported Fraud cases reported in December that are still open. These cases are complex and require multiple warrants and the production of records to investigate. One fraud case was concluded with a felony arrest warrant issued, and officers promptly executed the warrant.

Significant Events:

- We are now fully staffed and working towards continued growth and improvement. The officers we have are vigilant and working hard to address known complaints areas with traffic and other various issues to better our services.
- Officers participated in an increased traffic enforcement period with other local agencies.
- The new Patrol unit was delivered and is a great hit. We have received multiple compliments on the new graphics and look. We are looking to upgrade our current graphics to the new design on the older police units this year.
- Town Board Trustee Bill Carlson signed up for a ride -along and experienced a few hours riding with Sgt. Dan Dranginis. I received feedback from Trustee Carlson, which was very much appreciated.

Message from Chief Jesse James Stanford:

As we move forward into May and closer to Bluegrass Festival, we have some new police officers experiencing festival season in Palisade for the first time as a member of the Town of Palisade Police Department. We also have police staff who have experience with festival season and other events in Palisade, so I am excited to have such a well-balanced police staff who are focused on the community. Our goals are simple: provide public safety through “Community, Courage, and Compassion.” The Board of Trustees are always invited to sign up for a ride-a-long with a Palisade Officer so you can experience first-hand the professionalism and compassion the police staff offers to the community through our public safety mission.

Re: Playground Equipment at Veterans Memorial Park

SUBJECT: Purchase of Playground Equipment for Veterans Memorial Park

SUMMARY: Veterans Memorial Park has a children's playground on the west side of the park, adjacent to Kluge Avenue. The playground equipment is nearing the end of its useful life and is not compliant with today's standards for safety.

The Town has budgeted \$75,000 towards replacing the equipment, which includes \$50,000 paid by the owners of the Winding River Mobile Home Park on W. 8th Street (one block west of the park) as a Developer Fee in Lieu of Parks, with the remaining \$25,000 from the Colorado Lottery Conservation Fund, whose funds are restricted to improving parks, outdoor spaces, and recreation areas.

The Town has solicited proposals for this equipment and received three (3) responses. All three proposals have been evaluated by staff and were brought to the Palisade Planning Commission on April 18, 2023 for feedback. Based on this feedback, the overwhelming direction is to move forward with a Burke play system from A to Z Recreation. Plans and drawings from this proposal are attached.

The Town will solicit feedback from the public on various color options available for this system prior to purchase.

Chapter 4 – Recreation and Tourism (page 90 et. seq.)

- Strategy 4.2B – Provide additional infrastructure and education to enhance the connections between recreation, tourism, and residents (page 112)

Chapter 6 – Capital Projects List (page 141)

BOARD DIRECTION: The Board hereby directs the Town Manager to enter into a contract to purchase playground equipment for Veterans Memorial Park from A to Z Recreation in the amount of \$75,000, including installation.

- **ENGINEERING** Sealed Engineered Drawing and Calculation fees are **non-refundable** and will be collected at time of order in addition to any down payment required.
- **PERMITS** Unless specifically listed, customer is responsible for all permits. Our installer cannot begin footings until your permits are approved. If our installer is completing the permit process for you, we will complete Engineering and the Permit process **BEFORE** manufacturing begins.

If you agree to the price and terms on this quote in their entirety please sign the previous page to make it a legal work order.

SPINNING

Spinning is not only fun but helps children develop necessary motor, social, sensory and cognitive skills. Kids will get a great workout, running, pushing and riding the Comet which incorporates climbing in addition to spinning to create a whole new challenge and experience!

PLAY VARIETY

This design offers the perfect solution for a great playspace and ensures that the necessary and age-appropriate play components are included. With various slides, climbers and spinning events, kids will be able to enhance physical fitness while having fun playing.

CLIMBING

Climbing brings adventure and challenge to the playground while providing necessary developmental benefits such as balance, agility, upper and lower body strength and decision-making skills! When children climb, they develop confidence and take age appropriate risks that help build skills that will help them throughout their lives.

FORMIS™ CLIMBER

Engaging geometric shapes and unlimited climbing paths characterize the Formis™ collection of climbers. Named for the façade of a building and the distinctiveness each brings, Formis presents so many design options.

ACCESSIBLE REACH PANELS

Accessible Reach Panels allow children in wheelchairs to comfortably participate in multiple activities, while also developing fine motor skills.

COGNITIVE

So many life skills are learned through play! Skills such as cognitive planning, mastering new concepts, problem solving and expression are developed naturally through play events like climbing, sliding and spinning.

PLAY THAT MOVES YOU®

At Burke, movement is our mantra. It drives our purpose and ignites our passion to bring the best in playground design and the most innovative, developmentally rich play, outdoor fitness and recreation products. Our research and testing push us to create new and unique ways to challenge children, families, schools, communities, teams and individuals to move, to grow and to play. Play fosters opportunities for connection between generations and with our peers, provides growth and togetherness and moves us in so many ways. Join Our Movement® and experience the many ways play can move you.

PLAY FOR HEALTH

Movement is life and is one of the most important aspects in overall health and wellness for people of all ages and abilities. Burke has playground and fitness offerings that engage everyone in all stages of life to move. Our Nucleus® and Intensity® playgrounds feature a fusion of play that helps children engage in active play throughout the day for enhanced growth and developmental opportunities. ELEVATE® Fitness Course brings obstacle course fitness to a whole new level and is poised to engage children 5-12, teenagers and adults. ACTIVATE® Fitness Circuit and INVIGORATE® Dynamic Fitness are a great way to add events to a fitness trail or create a space for outdoor exercise. Our variety of fitness equipment will meet you where you are in your fitness journey and challenge you to be more.

PLAY FOR YOUR MIND

Playful experiences are learning experiences and children at play are developing a wide-variety of skills that range from problem solving and cognitive planning to memory and self-regulation. Each and every time a child plays they are contributing positively to their cognitive development and setting themselves up for future success.

PLAY FOR CONNECTION

Play provides us with common experiences, shared laughter and true connection. It brings communities together and helps us return to the simplicity of basic human connection and kindness. Parks and recreation spaces are critical because they lay the groundwork for the intergenerational engagement, interaction and development we all seek. Products such as Novo® Playful Furniture, with interesting pieces that can be used in a variety of ways, foster those opportunities by creating a space where everyone can interact and play together in their own way. The Konnection® Swing revolutionizes connection by promoting face-to-face connections and playing together. Every person of every age and ability brings their own unique experiences that enhance the collective and moves us all through play.

PLAY FOR MOTION

Motion play creates a childhood experience like no other by creating movement for children of all abilities and providing developmental benefits, including increased spatial awareness, inner ear stimulation and balance. Motion can be a source of calm for children with sensory processing differences while providing delight and excitement for children of all ages.

PLAY FOR DEVELOPMENT

Play is the work of childhood and helps children express themselves, monitor their emotions and develop a sense of identity that fuels their self-esteem and shapes their world view. Creating environments that foster this growth is at the heart of what we do at Burke and helps to teach resiliency and perseverance, all skills that transcend the playground and help children to develop into successful and healthy adults.

WORK THAT MOVES US

Our mission is simple – to bring Play That Moves You® to communities around the world. This mission drives us each and every day to innovate the best in play, playgrounds, recreation and outdoor fitness equipment that help everyone find the best of themselves through play. We are passionate about our legacy of customer service and craftsmanship while looking to the future and always striving to be better.

At Burke, play inspires us to create a community of people that are invested in growth, aren't afraid to commit to positive change and seek to enrich and enhance the lives of the people in communities where we serve and live. Researching, innovating and creating products that help communities and people grow and thrive is the core of our purpose. In our own community, we partner with organizations such as the YMCA and Boys and Girls Club of Fond du Lac and we support, on a larger scale, organizations, municipalities, schools, churches and associations to Join Our Movement® and help let play lead the way for change. This is work that moves us and we hope the results move you.

HANDCRAFTED IN AMERICA'S HEARTLAND

Walk through our Fond du Lac, WI manufacturing facility and you will see playgrounds coming to life through the hands of our people. In the age of assembly lines, we work to combine efficiency with a personal touch that makes every playground special. Bringing quality playgrounds to communities like yours is Work That Moves Us, and we hope the playgrounds we make move you too.

SUPERIOR SERVICE

Customer Service is a hallmark of Burke and we take pride in the fact that when you call, we answer. We have factory-direct customer service representatives that are available to answer questions, help with replacement parts or field inquiries about installations.

YOUR BURKE REPRESENTATIVE

We as Burke Representatives are passionate about bringing play to your community and helping you design your perfect play environment! We are knowledgeable and experienced about the entire playground process from site evaluation to design to maintenance and will work with you beyond installation to make sure your playground is, and remains, all you dreamed!

BURKE'S HISTORY

MORE THAN A CENTURY OF PLAY

Guided by our legacy of innovation, customer service and creativity, we are making the very best and most innovative playground, outdoor fitness and recreation products in our history! Our founder J.E. Burke set the course more than a century ago and we're taking his vision and making it even bigger! Through research, analysis and continuous improvement, we're designing products and playspaces that bring Play That Moves You® to communities for more fun, movement, engagement and development! Play is our passion, our mission and our business and we can't wait for you to Join Our Movement.

BURKE BUILT QUALITY

Discover the value of investing in a Burke Playground:

KOREKONNECT® DIRECT-BOLT CLAMP SYSTEM:

Nucleus® features our Industry-leading KoreKconnect direct-bolt clamp system resulting in the strongest and most accurate connection system ever. Factory located connection points make for easy, precise installation and an error-free fit. Best of all, KoreKconnect is covered for 100 years under our non-prorated Generations Warranty®.

DIRECT-BOLT CONNECTION SYSTEM:

Intensity®, ELEVATE® Fitness Course, ACTIVATE® Fitness Circuit and Synergy® feature Burke's trusted direct-bolt connection that uses a durable, straightforward direct-bolt system to ensure a trouble-free installation and provide the necessary strength to accommodate the demands of playing children. Like our KoreKconnect system, Direct-Bolt connections are covered for 100 years under our Generations Warranty.

EZKONNECT® DECK MOUNTING SYSTEM:

Our exclusive self-leveling deck attachment and factory CNC construction allows for faster and more precise location of decks during installation. The 2-bolt per corner deck attachment increases overall structure strength and stability.

PLATFORMS:

Burke's oversized non-slip platforms are constructed of heavy-duty punched steel that can support more than 2 tons. Our vinyl coating is California compliant, free of lead and other hazardous heavy metals.

TAMPER-RESISTANT STAINLESS STEEL HARDWARE:

All hardware is covered for 100 years under our Generations Warranty.

PREMIUM POWDER COATINGS:

Our industry-leading powder coatings and finishes prevent fading, last longer and deter rust. We also offer a "coastal package" powder coat system. This special powder coat system for metal components and upright posts will provide additional corrosion and chemical protection along with added longevity to the color and gloss retention of the powder coated parts. Contact your Burke Representative for more information on colors, price and warranty.

COMPOUND PLASTICS WITH UV-20:

You'll get long wear and bright, vibrant colors that hold up for years thanks to our thick, durable rotomolded plastics with UV-20 protection. This is why we can cover them for 15 years under our non-prorated Generations Warranty.

CLIMBING CABLES:

Our climbing cables are flexible enough to provide movement, yet strong enough to last. Our ropes are made from 6 polyester cords with steel reinforcement wrapped around a synthetic fiber core. Each cord contains 8 galvanized steel strands tightly covered with polyester multi-fibers. Our RopeVenture® cables consist of 6 strands, each containing 24 stainless steel reinforcing strands within a nylon sleeve, wrapped around a solid nylon core.

ALUMINUM CONNECTORS:

Swivel connectors at the end of our ropes allow assembly at any angle with no unwanted twists in the net. The aluminum fittings used to secure the joints are swaged in place to prevent any movement between the rope and fittings that could cause wear.

COOPERATIVE PURCHASING OPTIONS

PLAYGROUNDS WITHOUT ALL THE PAPERWORK

Purchasing with contracts may sound intimidating, but getting your community playspace doesn't need to be a painful process of writing specifications, issuing RFP's and jumping through hoops – it can be simplified – we promise! As you continue planning for your new commercial playground, review the Purchasing Contracts offered through our partners. Purchasing with one of these contracts simplifies the process and ensures the design and intent remain the same – serving as a place for your community to gather, grow and thrive.

EQUALIS GROUP

Equalis is an innovative cooperative purchasing organization that believes in the power of partnership and that when you work together you achieve more. The basic premise of the Equalis cooperative purchasing organization is to leverage the combined buying power of all members for better pricing and favorable contract terms. Equalis Group uses the lead agency model for competitively bid contracts, provides our participants the savings they expect and offers efficiencies and peace of mind within the procurement process. It is our mission to continuously improve the measurable and meaningful impact of cooperative services for everyone throughout the supply chain.

OMNIA PARTNERS

OMNIA Partners, Public Sector (Subsidiary National IPA) is the largest and most experienced organization in purchasing and supply chain management. Comprised of participants and suppliers in the public sector, we bring together industry-leading buying power and world-class suppliers to offer an extensive portfolio of competitively solicited and publicly awarded contracts and partnerships. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

HGACBUY

Purchasing Burke playground equipment through HGACBuy gives your agency access to volume purchasing agreements and discounts, and there's no need to incur the time and expense of writing specs, issuing RFPs, advertising and evaluating bids. This can shorten your procurement cycle by months, while ensuring compliance with competitive bidding requirements.

SOURCEWELL

As a leader in cooperative purchasing, Sourcewell is passionate about helping members fulfill their public service missions. Sourcewell builds strong relationships with members and vendors to develop practical solutions together.

The easiest way to Join Our Movement is to call your local Representative at 800.266.1250 or visit bciburke.com/rep. Our passion is bringing play to communities like yours and we can't wait to help you get started!

FEATURED PLAY EVENTS

Extreme Twist Spiral Slide

The Extreme Twist is designed with a minimal footprint so there's more room for more play. Don't be fooled by the small footprint though, it's huge on fun and development. Sliding is an incredible way to enhance balance and coordination while developing turn taking and cooperation skills.

TWIST NET CLIMBER

A ground-to-deck climber that challenges children to climb at an angle while combining strength, balance and coordination. It also builds self confidence and increases flexibility.

90° Horizontal Ladder

Overhead Ladders offer so many opportunities for play and development within a playspace. These new overheads embody Burke's energetic design language, are loads of fun and promote upper body strength and teach resilience!

FEATURED PLAY EVENTS

PROPELLER RING PANEL

Create the perfect play area for children with Burke's Interactive Play Panels. The play panels encourage exploration, interaction and develop fine-motor skills for children with all abilities.

Pinball Panel

Interactive and fun, the Pinball Panel enhances cognitive development and fine motor skills while adding visual interest to your playsapce, outdoor classroom or anywhere you need more play.

COMET I

It challenges children to utilize their strength, balance and coordination. It can be used by a single child or by a group of children for maximum play ability. Children can sit or stand on the outside or inside of the comet.

TESTIMONIALS

"Service, Safety, Quality. Three words I would use to describe the people, business model, and overall organizational standards that inspires the BCI Burke Company. Every organization has a unique set of challenges and goals when it comes to building an educational environment - and from our experience, BCI Burke came to the table ready to work with us as partners to meet those challenges and goals head on.

We chose to work with BCI Burke because we needed a reliable company that would be able to provide nothing less than the highest quality product with our own time limitations. As with most other businesses, we did not have the luxury of making an investment into a project of this magnitude and not feel 100% certain that we had gotten the very best of our dollar. We also had to assure our stakeholders that we would see that investment last the test of time.

BCI Burke offered us superb and consistent customer service, the ability to achieve our goal on a fast timetable, and the confidence that our playground is genuinely the very best in design and safety. This is something that we will showcase in our school for many years to come.

After working with the company, I know personally they are committed to go the extra mile to satisfy your needs. BCI Burke is a master in their field but also provide the customer with an intuitive understanding of service".

"I am writing to tell you how much I enjoyed and appreciated working with your local representative...Through the years, I have worked with a number of playground companies, but never with anyone with the professionalism, commitment and follow-through of (your Burke Rep). We are all so excited about our children having the opportunity to play on your wonderful equipment; of course, we want everything! We are so impressed with the many, many possible designs. Thank you for the quality of your equipment and your local representatives."

BURKE GENERATIONS WARRANTY®

BCI Burke Company, LLC ("Burke") warrants that all standard products are warranted to be free from defects in materials and workmanship, under normal use and service, for a period of one (1) year from the date of shipment.

We stand behind our products.

In addition, the following products are warranted, under normal use and service from the date of shipment as follows:

- One Hundred (100) Year Limited Warranty on aluminum and steel upright posts (including Intensity®, Synergy®, Nucleus®, Voltage®, Little Buddies®, ELEVATE®, ACTIVATE®, INVIGORATE®) against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on KoreConnect® clamps against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on Hardware (nuts, bolts, washers)
- One Hundred (100) Year Limited Warranty on bolt-through fastening and clamp systems (Synergy®, Intensity®, Nucleus®, Voltage®, Little Buddies®, ELEVATE®).
- Twenty-Five (25) Year Limited Warranty on spring assemblies and aluminum cast animals.
- Fifteen (15) Year Limited Warranty on structure platforms and decks, metal roofs, table tops, bench tops, railings and barriers against structural failure due to materials or workmanship.
- Fifteen (15) Year Limited Warranty on all plastic components including StoneBorders against structural failure due to materials or workmanship.
- Ten (10) Year Limited Warranty on ShadePlay® Canopies fabric, threads, and cables against degradation, cracking or material breakdown resulting from ultra-violet exposure, natural deterioration or manufacturing defects. This warranty is limited to the design loads as stated in the specifications.
- Ten (10) Year Limited Warranty on NaturePlay® Boulders and GFRC products against structural failure due to natural deterioration or workmanship. Natural wear, which may occur with any concrete product with age, is excluded from this warranty.
- Ten (10) Year Limited Warranty on Full Color Custom Signage against manufacturing defects that cause delamination or degradation of the sign. Full Color Custom Signs also carry a two (2) year warranty against premature fading of the print and graphics on the signs.
- Five (5) Year Limited Warranty on Intensity® and RopeVenture® cables and LEVEL X® flex bridge against premature wear due to natural deterioration or manufacturing defects. Determination of premature wear will be at the manufacturer's discretion.
- Five (5) Year Limited Warranty on moving parts, including swing components, against structural failure due to materials or workmanship.
- Five (5) Year Limited Warranty on PlayEnsemble® cables and mallets against defects in materials and workmanship.
- Three (3) Year Limited Warranty on electronic panel speakers, sound chips and circuit boards against electronic failure caused by manufacturing defects.

The warranty stated above is valid only if the equipment is erected in conformity with the layout plan and/or installation instructions furnished by BCI Burke Company, LLC using approved parts; have been maintained and inspected in accordance with BCI Burke Company, LLC instructions. Burke's liability and your exclusive remedy hereunder will be limited to repair or replacement of those parts found in Burke's reasonable judgment to be defective. Any claim made within the above stated warranty periods must be made promptly after discovery of the defect. A part is covered only for the original warranty period of the applicable part. Replacement parts carry the applicable warranty from the date of shipment of the replacement from Burke. After the expiration of the warranty period, you must pay for all parts, transportation and service charges.

Burke reserves the right to accept or reject any claim in whole or in part. Burke will not accept the return of any product without its prior written approval. Burke will assume transportation charges for shipment of the returned product if it is returned in strict compliance with Burke's written instructions.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IF THE FOREGOING DISCLAIMER OF ADDITIONAL WARRANTIES IS NOT GIVEN FULL FORCE AND EFFECT, ANY RESULTING ADDITIONAL WARRANTY SHALL BE LIMITED IN DURATION TO THE EXPRESS WARRANTIES AND BE OTHERWISE SUBJECT TO AND LIMITED BY THE TERMS OF BURKE'S PRODUCT WARRANTY. SOME STATES DO NOT ALLOW THE EXCLUSION OF CERTAIN IMPLIED WARRANTIES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

Warranty Exclusions: The above stated warranties do not cover: "cosmetic" defects, such as scratches, dents, marring, or fading; damage due to incorrect installation, vandalism, misuse, accident, wear and tear from normal use, exposure to extreme weather; immersion in salt or chlorine water, unauthorized repair or modification, abnormal use, lack of maintenance, or other cause not within Burke's control; and

Limitation of Remedies: Burke is not liable for consequential or incidental damages, including but not limited to labor costs or lost profits resulting from the use of or inability to use the products or from the products being incorporated in or becoming a component of any other product. If, after a reasonable number of repeated efforts, Burke is unable to repair or replace a defective or nonconforming product, Burke shall have the option to accept return of the product, or part thereof, if such does not substantially impair its value, and return the purchase price as the buyer's entire and exclusive remedy. Without limiting the generality of the foregoing, Burke will not be responsible for labor costs involved in the removal of products or the installation of replacement products. Some states do not allow the exclusion of incidental damages, so the above exclusion may not apply to you.

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.
