SUBJECT: Sewer Transfer Project Inadequate Funds

Inadequate Funds

Upon receiving bids for the Town of Palisade's Sewer Transfer Project, the apparent low bid is \$14,869,804.84. This apparent low bid exceeds the Town's available funds for the project.

Obtaining Additional Funds and Rebidding

Due to inadequate funding, Town of Palisade will not award the current project. The scope of the project will be changed and we anticipate project re-bid will occur in late 2025.
