

Dear Event Planner:

Welcome to the Town of Palisade, and we are excited that you have chosen Palisade as the location to host your special event. In an effort to make your event application process as efficient and smooth as possible, we have developed this Special Event Application to help you plan your event in Palisade.

The Events and Programs Coordinator, Troy Ward will act as your main point of contact. Once we receive your Special Events Application, we will coordinate with the Public Works Department, Palisade Fire Department, the Palisade Police Department, and other Town departments that may be affected, to ensure all concerns are addressed and all permits are properly processed.

The Town of Palisade requires that we receive your special event application a minimum of 30 days prior to your special event. This will allow us time to process the application and communicate with other departments and agencies. Please be advised that certain application procedures may be lengthy and require you to plan ahead, such as liquor licenses, proof of insurance, etc., please plan accordingly. Under certain circumstances and depending on the size of your event (birthday party, baby shower, etc.) we may be able to expedite the application process.

Once all comments and concerns are received from the appropriate departments, you will be contacted as to the status of your application. Depending on the event size and impact on the community, we may ask that a meeting be held to discuss the special event in detail – reviewing traffic control plans, security, emergency response, or other issues affecting the community.

In the event you are requesting specific services from the Town of Palisade, you will be provided an estimate of costs and be billed for these services. Also, depending on the size and community impact of the event, we may request an additional clean-up / damage deposit.

Our desire is to make your special event application process as efficient and helpful as possible. Please do not hesitate to contact Troy Ward, if you have questions or concerns regarding any of the forms or the process in general. We look forward to you holding a successful event and we thank you for choosing our community as your event location.

Sincerely,

Troy Ward
